journey came to an abrupt end when his daughter a 14 years old beauty was abducted and killed in a small town in Montenegro in 1995 while the civil war in Yugoslavia was still in full swing From this moment on revenge became the purpose of his life the obsession the only justification for his existence At this crossroad by a sheer chance he met Chantal in New York they fell in love with each other Chantal had to make a terrible choice leave her loving husband and life of luxury and go after Jovan and her mission in life journalism or stay in comfort and lose her first genuine love and mission Her hesitation was painful but short Finding killers was a demanding task for Jovan Police closed the case claiming that hostile Croats abducted his daughter Lilia The only witness though who later refused to testify said that he saw how local pimps grabbed the girl on the street and ran away in a car Both versions lacked credibility as the autopsy concluded that the girl was a virgin Soon Chantal discovered something not less horrendous than the war and no less important to report about the East European prostitution ring which used Yugoslavia as a hub for trafficking adolescent girls from Russia Ukraine and Romania to the affluent West European countries and North America Again she witnessed terrifying events when innocent and helpless girls had to go through hell during their short and horrific lives Jovan discovered the secrets of his daughter s death and found the killers The revenge was as brutal as the crime which triggered it The vengeance and the payback for it ruined Chantal s and Jovan s love and changed their lives forever
