In 1921 headlines across the country announced the death of Henry Starr a burgeoning silent film star who was killed while attempting to rob a bank in Harrison Arkansas Cynics who knew the real Starr were not surprised Before becoming a matinee idol Starr had been the greatest bank robber of the horseback bandit era Born in 1872 Cherokee outlaw Henry Starr had survived shootouts and death sentences and lived long enough to witness the invention of moving pictures In 1919 after Starr was released from the Oklahoma State Penitentiary a hotshot movie producer convinced him he had the looks charisma and wild and woolly life story to become the next big movie star When filming began in 1920 powerful organizations aligned to censor Starr attempting to prevent him from exposing Oklahoma s corrupt legal system and the government s mistreatment of the Cherokee The Women s Christian Temperance Union pressured theater owners to ban his film state and federal lawmakers

drafted legislation to stymie theatrical distribution and police and district attorneys threatened to send him back to prison Starr's only film the biographical movie *A Debtor to the Law* is lost to history but through surviving memorabilia newspaper accounts and interviews with people who worked with him on set author Mark Archuleta traces how the reformed Gentleman Bandit attempted to use the power of cinema to reframe his life story and redeem himself in the eyes of the public his family and the Cherokee Nation The Reel Thrilling Events of Bank Robber Henry Starr is about more than heists and Hollywood glamor Starr's journey is about the American myth of reinvention recidivism and the founding of the motion picture industry when racial tensions were simmering to a boil **Cowboy Courage** William Hampes, 2019-03-28 Film and television

Madness Rules the Hour Paul Starobin,2017-04-11 From Lincoln s election to secession from the Union this compelling history explains how South Carolina was swept into a cultural crisis at the heart of the Civil War The tea has been thrown overboard the revolution of 1860 has been initiated Charleston Mercury November 8 1860 In 1860 Charleston South Carolina embodied the combustible spirit of the South No city was more fervently attached to slavery and no city was seen by the North as a greater threat to the bonds barely holding together the Union And so with Abraham Lincoln s election looming Charleston s leaders faced a climactic decision they could submit to abolition or they could drive South Carolina out of the

Union and hope that the rest of the South would follow In *Madness Rules the Hour* Paul Starobin tells the story of how Charleston succumbed to a fever for war and charts the contagion's relentless progress and bizarre turns In doing so he examines the wily propagandists the ambitious politicians the gentlemen merchants and their wives and daughters the compliant pastors and the white workingmen who waged a violent and exuberant revolution in the name of slavery and Southern independence They devoured the *Mercury* the incendiary newspaper run by a fanatical father and son made holy the deceased John C Calhoun and adopted *Le Marseillaise* as a rebellious anthem *Madness Rules the Hour* is a portrait of a culture in crisis and an insightful investigation into the folly that fractured the Union and started the Civil War **Common**
