in Aussie Grit Mark Webber was at the centre of one of the most captivating chapters in the history of Formula One In 2010 while racing for Red Bull he and his team mate Sebastian Vettel went head to head for the World Championship There could only be one winner Since retiring from Formula One Mark has concentrated on endurance racing including the legendary Le Mans 24 Hour race He hit the front pages of newspapers around the world in December 2014 when he slammed into the barricades in the final round of the FIA World Endurance Championship in South America and was lucky to escape with his life But the controversy of his relationship on and off the track with Vettel who went on to win multiple world titles has never been far beneath the surface Here for the first time Webber tells the inside story of one of Formula One s most intriguing battles it is a story that goes to the heart of why the sport is loved by millions of fans around the world From his first taste of karting to his F1 debut in 2002 scoring Minardi s first points in three years at the Australian Grand Prix through to his first win with Red Bull at the 2009 German Grand Prix and the year he should have been crowned World Champion Mark Webber s journey to the top of Formula One was every bit as determined and committed as his racing Aussie Grit is his searingly honest story Includes a foreword by Formula One legend Sir Jackie Stewart

The Mobile Image from Watteau to Boucher David Pullins, 2024-08-13 Reframing long held assumptions about what distinguishes fine from decorative art this innovative study explores a mode of making seeing and thinking that slices across eighteenth century visual culture This book provides a new way of thinking about eighteenth century French art and visual culture by prioritizing production over reception Abandoning the ideologically driven discourse that distinguished fine from decorative art between the 1690s and 1770s The Mobile Image reveals how the two have been inextricably bound from the earliest stages of artistic instruction through the daily life of painters workshops In this study author David Pullins defines artisanal and artistic means of learning seeing and making through a system of mobile images motifs that were effectively engineered for mobility and designed never to be definitive always awaiting replication and circulation He examines the careers of Antoine Watteau Jean Baptiste Oudry and Fran ois Boucher situating them against a much broader cast of actors such as printmakers publishers anonymous studio assistants and architects among others to place eighteenth century painting within a wider context of media and making
