

A night photograph of a golf course. A gravel path leads from the bottom left towards a green in the middle ground. The green is illuminated by a bright light source, possibly a moon or a powerful spotlight, which creates a strong lens flare and casts long, dark shadows across the grass. The background is filled with a dense line of trees, some of which are also lit by the same light source. The overall scene is dark, with the primary light source being the bright spot in the background.
