Stalinist and anti communist historians have claimed there was substantial sympathy for his criticism of the Stalin regime in the ranks and even in the leadership of the CPSU and support for his demands for inner party democracy greater social equality and an international orientation to the Bolshevik goal of world revolution It was this political fact as Rogovin demonstrates that accounts for the purge reaching so deeply into the party apparatus the military the Komsomol youth movement and the broader layers of the population Rogovin bases his analysis on scrupulous research quoting from newly translated or unpublished documents including memoirs meeting minutes newspaper articles and trial transcripts He documents the reaction of different social layers to the purges including workers peasants non party intellectuals and the CPSU rank and file This book includes rarely published photographs of the prison camps documenting the lives of those labeled by Stalin enemies of the people Chronologically this volume takes up where its predecessor 1937 Stalin s Year of Terror left off with the June 1937 plenum of the Central Committee that followed the purging of the Soviet military command and the execution of Marshal Tukhachevsky and other leading generals It analyzes such critical events as the Bukharin Rykov trial last of the infamous show trials the massacre of Trotskyists in the Vorkuta slave labor camp and the assassination by Stalinist agents of Leon Sedov Trotsky s son and other oppositionists outside the Soviet Union It concludes with an examination of how the purges transformed the CPSU and Soviet society as a whole
