Good Call Reflections On Faith Family And Fowl:

Good Call Jase Robertson, 2014-05-06 The straight faced funny man of Duck Dynasty has a real story to tell Not a repeat of the previous Duck Dynasty books Jase opens up about his personal family life his childhood days with a drunken father and how he came to faith This open book from Jase may surprise some fans who love him for his dry humor and rivalry with younger brother Willie This hilarious yet thoughtful book is structured around lessons of faith in the blind on topics like respect passion forgiveness generosity humility kindness and honesty Chapters discuss the highlights of Jase s memory of the early days with his drunken disruptive father his high school days and his strong commitment to not be like Phil had been opting for total abstinence from drinking and sex the moment he forgave Phil for being such a terrible father in his younger days his first hunt with Phil where he saw an excitement in Phil that he d never seen before his first date with Missy which was a fake date to make another girl jealous and of course a chapter on Uncle Si with stories not told in previous books Other chapters include stories of his brothers frog hunting and fishing and his most memorable road trips And finally Jase shares a chapter on hunting in heaven Here Jase shares his love for the land and our responsibility to care for it More than a behind the scenes look at this beloved Duck Dynasty character readers will be inspired and encouraged to implement Jase s lessons from the blind into their own lives **Jesus and John Wayne** Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES

BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today s evangelicals might not be theologically astute but they know their VeggieTales they ve read John Eldredge s Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical

principles modern white evangelicals have remade their faith with enduring consequences for all Americans

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers s Redeeming Love Jan Karon s Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice

unPHILtered Phil Robertson, 2014-09-02 The beloved patriarch of A family how he raised his kids and is raising grandkids while teaching them the life principles he lives by ducks and the business principles that started the Duck Commander empire marriage including what he s learned from his own marriage and of course his opinions on controversial topics like gun control taxes prayer in school and the government unPHILtered is the ultimate guide to everything Phil Robertson believes in Balancing his sometimes off the wall comments with his strong focus on home and family life it is sure to spark discussion laughs and a sincere appreciation for Phil s unique approach to life

The Women of Duck Commander Kay Robertson, Korie Robertson, Missy Robertson, Jessica Robertson, Lisa Robertson, 2014-04-01 The wives of the Robertsons all came into the family the same way they fell in love with one of the Robertson boys Now learn surprising insights about the women behind these famous bearded men and what makes their family work In the Duck Dynasty TV series the women often come into their own when the whole family gathers around the table together to eat dinner and fans of the show get a good glimpse into their lives but that is hardly the whole story which is why they decided to write this book In The Women of Duck Commander the wives show how they have worked together to help one another and to support the family in all its work and its happiness They are committed to timeless values and in the book they share the insights stories and experiences that have made them who they are The appeal of the Duck Dynasty comes not because they are showing us anything new but they are reminding us of the values our culture is in danger of losing
