Book of Jeremiah Susan Williams Smith, 2014-01-15 *Jeremiah* A Wright Jr will forever be linked to the historical 2008 presidential campaign of then Senator Barack Obama Although unwillingly thrust into the spotlight the media attention could never overshadow Wright's prophetic teachings nor does it define his life and ministry The *Book of Jeremiah* examines the man an African American patriot who served his country a scholar a prophet and a pastor The relevance of his ministry reaches far beyond his pastorate at Trinity United Church of Christ Chicago Wright's ministry has transcended to a global stage with a message of liberation and justice Smith provides the most comprehensive picture of the Rev Wright and as a close confidante sheds light on his upbringing teaching and preaching influences and the far reaching effects of his ministry on Barack Obama and the world

Unexpected Grace Gennifer Benjamin Brooks, 2012-07-01 The Bible is often difficult to comprehend for those in the pews Even those who value preaching as an important element of their ministry are challenged when confronted with difficult texts Brooks welcomes the challenge and offers methods aimed at developing sermons that allow the good news to shine through even the most difficult of Bible texts

Engaging the Gadfly Casey T. Sigmon, 2025-06-09 In 2020 most preachers and congregations were forced into online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology

Introduction to the Practice of African American Preaching

Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book. This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic. Author Frank Thomas opens with a bus tour study of African American preaching. He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition. Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it. Next, Thomas traces the relationship between homiletics and rhetoric in Western preaching, demonstrating how African American preaching is inherently theological and rhetorical. He then explores the question: what is black preaching? Thomas introduces the reader to methods of close reading and ideological criticism. And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example. The next chapter considers the question: what is excellence in black preaching? The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition. The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics. Thomas next turns to questions about the relevancy of the church to the Millennial generation. Specifically: how will the African American church remain relevant to this generation which is so deeply concerned with social justice? Daily Prayer 2024 Gennifer Benjamin Brooks, Rosina B. F.

Hendrickson, Christopher Labadie, Ronald Rolheiser, OMI, Anita Vincent, Deborah Wilhelm, 2023-08-08 Daily Prayer is the perfect companion for your spiritual journey, offering a thoughtful order of prayer for each day. By reflecting on Scripture and the liturgical year, you will gather the wisdom and strength to live out your day as a disciple of Jesus. Daily Prayer 2024 provides an introduction to Catholic prayer for those involved in the Rite of Christian Initiation of Adults and an easy-to-use format for Catholics of all ages. It provides a simple order of prayer for each day of the liturgical year from the First Sunday of Advent, December 1, 2023, through Saturday, November 30, 2024.

True to Our Native Land, Second Edition Brian K. Blount, Gay L. Byron, Emerson B. Powery, 2024-10-22 True to Our Native Land is a pioneering commentary on the New Testament that sets biblical interpretation firmly in the context of African American experience and concern. In this second edition, the scholarship is cutting edge, updated and expanded to be in tune with African American culture, education, and churches. The book calls into question many canons of traditional biblical research and highlights the role of the Bible in African American history, accenting themes of ethnicity, class, slavery, and African heritage as these play a role in Christian Scripture and the Christian odyssey of an emancipated people. **The new Sunday school teachers' Biblical dictionary**, 1879 The Household Bible Dictionary. equipped to carry that reconciling love into our relationships beyond the worship space Worship equips us for the work of conciliation but the liturgy itself needs to be decolonized if it is to truly honor Christian commitments to God and neighbor This book explores the reformed liturgy in its pattern of Gathering Word Table and Sending searching it both for colonial vestiges and spaces of new possibility Unsettling Worship invites the reader into a conversation about reformed worship in a setting of ongoing colonization Worship should both unsettle us and equip us for the essential work of making things right with Indigenous neighbors Southern Pioneer and Philadelphia Liberalist ,1835 **The Whole Counsel of God** Tim Patrick,Andrew Reid,2020-02-27 Expository preaching has been on the rise over the last five decades with more and more pastors preaching through entire books of the Bible systematically But few if any preachers have a long term plan to teach through every book of the Bible over a lifetime of ministry Since the whole Bible is God s Word to his people all of Scripture is important in order to grow as Christians Written to make a case for the necessity of a long term plan for preaching through the entire Bible instead of just through individual books this is not just a book on how to preach but also how to plan and prepare long range preaching programs through the whole counsel of God *Preaching in the Era of Trump* O. Wesley Allen,2017-03-28 Now more than ever it s time to preach The election of Donald Trump left countless faith leaders across the country speechless Now that he is president silence must give way to prophetic preaching Christians have long debated whether politics should be addressed from the pulpit Following Donald Trump s controversial divisive rise to power and the sweeping changes his fledgling administration has already proposed that s no longer a question political preaching will be the order of the day even for pastors who try to steer clear of controversy It s up to preachers to make the church great again by leading it to embrace and embody God s concern for those whose lives are at stake in a Trump administration Veteran teacher preacher and author Wes Allen offers a blueprint for addressing current events through a Gospel lens persuasively and pastorally without engaging in divisive antagonistic rhetoric Available in EPUB EPDF and paperback
