**Good News India** DV Sridharan, 2021-03-18 In the year 2000 when the World Wide Web was only ten years old and words like Google or blog were still unknown India's print media was the dominant source of news Its unending stream of depressing news made many feel India was a country without a future That scenario troubled a man as he kept pondering If India was as terrible as the media made it out to be how has it endured these thousands of years Surely there are a great many who are doing the good work despite all obstacles that we merely complain about Who are they and what good work are they doing What or who made them dedicate themselves to their work Driven by these questions that man D V Sridharan then fifty eight years old decided to go out discover their stories and highlight good news from India for India and the world After building a basic website goodnewsindia.com and armed with an early model of a digital camera he drove around the country to meet

and write about their work It turned out there were numerous little known heroes who despite adverse circumstances braved on with the good work they believed in In the process he discovered what was worth working on for the furtherance of India as a civilisation Good News India showcases some of those ordinary Indians and their extraordinary work These are stories of positive action steely endeavour and quiet triumphs
