The scope of his work was broad: poetry, children's books, short stories and biographies. But perhaps he is best remembered for his memoir *Shirley Goodness Mercy* which chronicles his growing up in Riverlea and introduces us to the colourful characters who helped to shape his life and inform the stories he wrote. The public persona of this witty and wise raconteur was well known but behind it was a family man who liked nothing better than to spend time with his two sons Kevin and Karl, his wife and childhood sweetheart Kathy and the friends and family who were his primary sources of inspiration. Using the unique vantage point of oldest son Kevin van Wyk's astute observations of his father and the strong bond they enjoyed throughout Chris's life have resulted in a memoir that is as affectionate as it is entertaining. In taking us behind the scenes into the Van Wyk household we witness the inner workings of the mind of a storyteller from the flowering of his father's activism, wit and wisdom to the sources of his occasional quirky outbursts. If storytelling runs in the genes Kevin may just be proof that his father's spirit lives on. *The Collected Novels Volume One* Taylor Caldwell, 2017-09-05 A collection of New York Times bestselling novels about wealth, power, ambition and the American Dream from a wonderful storyteller. A Scott Berg. From one of the most prolific and widely read authors of the twentieth century these three mesmerizing turn of the century sagas are now available in one volume. *Captains and the Kings* Joseph Francis Xavier Armagh is twelve years old when he gets his first glimpse of the promised land through a dirty porthole on an Irish immigrant ship. In America his long journey will eventually catapult him from the bigoted small town of Winfield, Pennsylvania to the highest echelons of society and grant him entry into the most elite political circles. And even as misfortune follows the Armagh family like an ancient curse, Joseph will exact his revenge against the uncaring world that once took everything from him, settling for nothing less than the pinnacle of glory: the crowning of his son as the first Catholic president of the United States. Sweeping from the 1850s through the 1920s, this spellbinding tale was the basis for the 1976 Emmy Award winning television miniseries *Hartford Courant: Testimony of Two Men*. Hambleton, Pennsylvania is still reeling from the sensational murder trial that shattered the peace of the bucolic hamlet less than a year ago. Accused of killing his beautiful young wife Dr Jonathan Ferrier hired the best attorneys money could buy and was acquitted. Many townspeople believe he bought his freedom but Robert Morgen, a young idealistic doctor, is determined to make up his own mind about the accused's innocence or guilt. Is Dr Ferrier a cold-blooded murderer or a brilliant physician unjustly accused and wrongly maligned? This powerful

story touches on faith religion and the then new field of mental health as it explores the evolution of modern medicine The Sound of Thunder The son of a socialist German shopkeeper Edward Enger has one dream to turn his father s modest delicatessen into an empire With an astute head for business he achieves success beyond his wildest imagination Yet something is keeping him from enjoying his extraordinary good fortune As a boy Edward thought he would love Margaret Proster all the days of his life until she moved away Now she is engaged to another man someone very close to Edward He vows to take on this latest challenge along with more mortgages more debt and speculative investments on Manhattan s burgeoning Wall Street As his family life begins to unravel a day of reckoning nears Soon Edward will have to confront a painful event from his boyhood a secret buried deep inside that he has never told another living soul **A Descriptive List of Novels** ,1893 *Shirley, Goodness and Mercy* Debbie Macomber,1999-09-01 Left alone and lonely at Christmas sixty year old Greg Bennett wanders the streets of San Francisco regretting his past and mourning his future until a chance prayer in a small church leads a trio of charming angels Shirley Goodness and Mercy to create a miracle for him *Telling Stories* ,2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research
