Goosebumps 49 Vampire Breath:

Vampire Breath (Classic Goosebumps #21) R. L. Stine, 2011-08-01 Goosebumps now on Disney Tough That's Freddy Martinez and his friend Cara They're not afraid of anything But that was before they went exploring in Freddy's basement Before they found the secret room Before they found the bottle of Vampire Breath Poor Freddy and Cara They should have never opened that bottle of Vampire Breath Because now there's a vampire in Freddy's basement And he's very very thirsty

Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-06-07 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers *Blood Obsession* Jörg Waltje, 2005 What is it about vampires that fascinates the human imagination Blood Obsession closely scrutinizes theories of Sigmund Freud and Tzvetan Todorov and arrives at a model of the vampire as the perfect representative of genre for a variety of reasons the vampire figure appeals to its audience because of an interdependency of looplike mental and narrative structures that lure both reader and writer incessantly back to the genre At the same time this book provides the reader with a thorough survey of literary and filmic vampires in both adult and juvenile fictions Lastly it blends the realms of legal and literary history by highlighting the changes the image of the serial killer a close relative of the vampire underwent at the end of the twentieth century Blood Obsession is a highly enlightening study for the general reader as well as for students of film literature and popular culture

You're Only Young Twice Timothy Morris, 2000 Original and thought provoking You're Only Young Twice reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots Moving from classic texts The Secret Garden Goodnight Moon to ephemera the Hardy Boys Goosebumps and Harry Potter series from the printed page to the silver screen Willie Wonka Jumanji 101 Dalmatians Beethoven Tim Morris employs his experience as a parent and teacher to interrogate children's culture and reveal its conflicting messages Books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons Instead they reflect the anxieties of the times and the desires of adults At the heart of many a children's classic lies power often expressed through racism sexism or violence Under Morris's gaze revered animal stories like Black Beauty turn into litanies of abuse fantasies of childhood like Big are revealed as patriarchal struggles You're Only Young Twice redirects the focus on children's literature asking not What messages should children receive but What messages do adults actually send For example Morris recounts his own childhood confusion upon viewing Peter Pan with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a cowering boy Morris shatters our long

held assumptions and challenges our best intentions demonstrating how children's literature and films lay bare a troubled and troubling worldview

The Art of Goosebumps Sarah Rodriguez, 2021-11-17 Featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the Goosebumps collections this art book is a must have for old and new fans alike In the summer of 1992 Scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the Goosebumps series At that time four books in the line were being market tested by the publisher to see how young readers would react to R L Stine's particular brand of humor tinged horror One element that was sure to catch the attention of little eyes everywhere was striking cover art and boy did they find it The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist helping to create a visual brand for R L Stine's smash hit horror series The covers helped set the tone for the numerous adaptations of the series including a television series a theatre experience and more recently blockbuster films
