Ernest Morris, 2017-04-28 In the streets deals are made all the time Some to keep the peace others aim to disturb it The alliance between Worlds and Fredd however was formed to do one thing DOMINATE The two hard hitting gangsters have a literal choke hold on the East Coast Weight don t move and bodies don t drop unless they call the shot first But if that s true then why did someone just launch a brazen bullet riddled attack against them Worlds and Fredd survive the attempt and decide to go on offense to flush out the guilty party Allowing such an infraction to go unanswered is NOT an option when playing on the level they are The man behind the attack is a high ranking narco trafficker named Riggs Worlds and Fredd Inc have something very valuable to him and he won t rest until he s re acquired it Riggs employs a deadly duo of his own to complete the task but their loyalties secretly lie elsewhere A turn of events that could prove to be fatal for all involved and everything and everyone they love **The Making of a Teenage Service Class** Ranita Ray, 2018 Stereotypes of

economically marginalized black and brown youth focus on drugs gangs violence and teen parenthood Families schools nonprofit organizations and institutions in poor urban neighborhoods emphasize preventing such risk behaviors In The Making of a Teenage Service Class Ranita Ray uncovers the pernicious consequences of concentrating on risk behaviors as key to targeting poverty Having spent three years among sixteen black and Latina o youth Ray shares their stories of trying to beat the odds of living in poverty Their struggles of hunger homelessness and untreated illnesses are juxtaposed with the perseverance of completing homework finding jobs and spending long hours traveling from work to school to home By focusing on the lives of youth who largely avoid drugs gangs violence and teen parenthood the book challenges the idea that targeting these risk behaviors is key to breaking the cycle of poverty Ray compellingly demonstrates how the disproportionate emphasis on risk behaviors reinforces class and race hierarchies and diverts resources that could support marginalized youth s basic necessities and educational and occupational goals Provided by publisher **Extreme Dreams**
