Skills for Teenagers with Developmental and Autism Spectrum Disorders Elizabeth A. Laugeson,Fred Frankel,2011-01-19 Social Skills for Teenagers With Developmental and Autism Spectrum Disorders uses discussion handouts tips and activities to walk parents and therapists through a step by step program that has brought proven results for teens trying to make friends **Head Above Water** Benjamin Jones,2012-02-09 A self described adult fairy tale Head Above Water is the tale of a man named Darryl and a girl named Leena who both work at the same company but work in two different offices a thousand miles apart A chance meeting sparks a fire in the both of them but circumstances prevent them from being together Through the course of their lives they find it hard to remain apart and though they are fated to be apart they remain determined to be together Head Above Water asks the question how much would you sacrifice for love What people are saying about Head Above Water I have to tell you I'm an avid reader and book clubber and I have never read a book like this There's so much detail and imagination I can appreciate that it was a love story sprinkled with a little science fiction I'm not really into romance novels honestly but this book worked for me mostly because I could relate to the characters and bits and pieces of Darryl and Leena's relationship Who hasn't been crazy in love at least once in their life Kim Bailey I recommend this book even if you're not a regular romance genre reader It has something for everyone Julie Harris Wow well I don't really know where to begin with this review except to say that this book is very original and it definitely surprised me in terms of how the story progressed and in terms of the almost experimental styling of the book This is not your everyday romance novel Yes it contains romance and is written well the dialogue between the characters is fluid and realistic All the characters are believable and one thing this author succeeds in doing where many others fail is in reminding us that we are all human and all capable of making wrong choices and hurting others inadvertently by our actions Maria Savva **A Walk in the Past** Steven W.
