A Church Called Tov Scot McKnight, Laura Barringer, 2020-10-06 Scot and Laura do an amazing job of teaching us what a good church looks like Beth Moore What is the way forward for the church Tragically in recent years Christians have gotten used to revelations of abuses of many kinds in our most respected churches from Willow Creek to Harvest from Southern Baptist pastors to Sovereign Grace churches Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church We need a better way The sad truth is that churches of all shapes and sizes are susceptible to abuses of power sexual abuse and spiritual abuse Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing safety for victims and spiritual growth How do we keep these devastating events from repeating themselves We need a map to get us from where we are today to where we ought to be as the body of Christ That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate good the word tov In this book McKnight and Barringer explore The concept of tov and how it can help Christians and churches fulfill their true calling as imitators of Jesus How to identify toxic patterns and the warning signs of abuse within church leadership and their congregations A path toward creating a safe and healthy community marked by justice truth and grace *A Church Called Tov* helps us move forward together and reminds us church can be a place of goodness and healing

Transcultural Flows of English and Education in Asian Contexts Tyler Andrew Barrett, Melissa Fellin, 2016-10-20 *Transcultural Flows of English and Education in Asian Contexts* examines issues concerning the potential of English learning and teaching to go beyond the classroom and affect the multicultural realities of Asian societies Asian societies often carry long histories and traditions that influence beliefs about identities which are changing in our globalizing world The authors in this volume explore the synthesis that occurs when culture is shared and re constructed in different contexts Specifically the authors show how English is appropriated and refashioned through language and culture exchanges both inside and outside of traditional classrooms in East Asia i e Japan South Korea China and Southeast Asia e g Indonesia Thailand Inside the classroom transcultural flows have the potential to result in take up exchange appropriation and refashioning of language and cultural practices that can generate transcultural realities outside the classroom Understanding transcultural flows may also require understanding circumstances outside of the classroom for instance transcultural exchanges that lead to friendships and professional relationships as companies embrace English and attempt to reach a global audience as English facilitates access to global interaction in cyberspace and as membership to nation states recognition and identity often confront the politics of English as a global language For both teachers and students of English the impact of transcultural connections reaches far beyond the teaching and learning experience English connects people around the globe even after students and teachers have finished their lessons or teachers have left the

country To examine the transcultural flows that result from English learning and teaching in Asia this book addresses the following questions What becomes of English when it is unmoored from local national and regional spaces and imaginatively reconceptualized What are new forms of global consciousness and cultural competency How is English rediscovered and reinvented in Asian countries where there are long traditions of cultural beliefs and language practices How are teachers and students taking up and appropriating English inside and outside classrooms How has English learning and teaching affected social political and business relationships This book will be of interest to scholars in sociolinguistics anthropology and education

Digital Media and Democratic Futures Michael X. Delli Carpini, 2019-02-14 The revolution in digital communications has altered the relationship between citizens and political elites with important implications for democracy As new information ecosystems have evolved as unforeseen examples of their positive and negative consequences have emerged and as theorizing data and research methods have expanded and improved the central question has shifted from if the digital information environment is good or bad for democratic politics to how and in what contexts particular attributes of this environment are having an influence It is only through the careful analysis of specific cases that we can begin to build a more comprehensive and nuanced understanding of the role of digital media in democratic theory and practice The essays in Digital Media and Democratic Futures focus on a variety of information and communication technologies politically relevant actors substantive issues and digital political practices doing so from distinct theoretical perspectives and methodological approaches Individually each of these case studies provides deep insights into the complex and context dependent relationship between media and democracy Collectively they show that there is no single outcome for democracy in the digital age only a range of possible futures Contributors Rena Bivens Michael X Delli Carpini Jennifer Earl Thomas Elliott Deen Freelon Kelly Gates Philip N Howard Daniel Kreiss Ting Luo Helen Nissenbaum Beth Simone Noveck Jennifer Pan Lisa Poggiali Daniela Stockmann [The Digital Prism](#) Mikkel Flyverbom, 2019-10-17 Shows how digital transformations and new visibilities shape how people live how organizations work and how societies and politics operate

The Misquotable C.S. Lewis William O'Flaherty, 2018-03-16 C S Lewis wrote many great words but not everything you see with his name on it is from the famed author of the Narnia books Seventy five quotations are presented that have an association in one way or another with a host of names including Ryan Seacrest Anthony Hopkins Max Lucado Rick Warren and Tim Allen Learn the three most common ways Lewis is misrepresented 1 Falsely Attributed Quotes Expressions that are NOT by him 2 Paraphrased Words that are ALMOST what he said 3 Out of Context Material he wrote but are NOT QUITE what he believed This book doesn't stop there Also discover what Lewis actually said that is related to the presented misquotes Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable but obviously misquotable [The Routledge Companion to Local Media and Journalism](#) Agnes Gulyas, David Baines, 2020-04-19 This comprehensive edited collection provides key contributions in the field mapping out fundamental topics and analysing

current trends through an international lens Offering a collection of invited contributions from scholars across the world the volume is structured in seven parts each exploring an aspect of local media and journalism It brings together and consolidates the latest research and theorisations from the field and provides fresh understandings of local media from a comparative perspective and within a global context This volume reaches across national cultural technological and socio economic boundaries to bring new understandings to the dominant foci of research in the field and highlights interconnection and thematic links Addressing the significant changes local media and journalism have undergone in the last decade the collection explores the history politics ethics and contents of local media as well as delving deeper into the business and practices that affect not only the journalists and media makers involved but consumers and communities as well For students and researchers in the fields of journalism studies journalism education cultural studies and media and communications programmes this is the comprehensive guide to local media and journalism

What Would Cervantes Do? David Castillo, William Egginton, 2022-01-15 The attack on the US Capitol on 6 January 2021 was a tragic illustration of the existential threat that the viral spread of disinformation poses in the age of social media and twenty four hour news From climate change denialism to the frenzied conspiracy theories and racist mythologies that fuel antidemocratic white nationalist movements in the United States and abroad What Would Cervantes Do is a lucid meditation on the key role the humanities must play in dissecting and combatting all forms of disinformation David Castillo and William Egginton travel back to the early modern period the first age of inflationary media in search of historically tested strategies to overcome disinformation and shed light on our post truth market Through a series of critical conversations between cultural icons of the twenty first century and those of the Spanish Golden Age What Would Cervantes Do provides a tour de force commentary on current politics and popular culture Offering a diverse range of Cervantist comparative readings of contemporary cultural texts movies television shows and infotainment alongside ideas and issues from literary and cultural texts of early modern Spain Castillo and Egginton present a new way of unpacking the logic of contemporary media What Would Cervantes Do is an urgent and timely self help manual for literary scholars and humanists of all stripes and a powerful toolkit for reality literacy

On Making a Shift in the Study of Religion and Other Essays Russell T. McCutcheon, 2021-06-08 Although many would today argue that the onetime dominance of the phenomenology of religion has receded and with it the traditional approach to studying religion as a unique and deeply felt experience that defies explanation the essays collected here take quite the opposite stand that this approach has merely been re branded and continues to characterize much work being done in the field today Offering a different way forward one that is based on experiences gained by the members of the Department of Religious Studies at the University of Alabama a program that has successfully reinvented itself over the past 20 years the book includes a variety of practical suggestions for how members of Religious Studies departments can revise their approach to studying and teaching about religion Seeing religion instead as mundane but always exemplary of basic

social elements found all across cultures the volume argues that the way forward for this field lies not in the specialness of its object of study but instead the fact that thinking and acting as if something is special is itself an ordinary aspect of history and culture Making just this shift helps the scholar of religion to contribute to wide interdisciplinary conversations all across the Humanities and Social Sciences demonstrating the practical relevance of their work Deleuze, Guattari and the Schizoanalysis of Post-Neoliberalism Ananya Roy Pratihara, Saswat Samay Das, Emine Gorgul, 2024-06-27 Deleuzo Guattarian philosophy provides crucial insights for assessing the post neoliberal era in this cutting edge volume of anti capitalist scholarship It maps the critical new assemblages emerging out of decades of neoliberalism to diagnose contemporary and future discontent Working alongside other forms of inquiry into the post neoliberal era the volume proposes a novel combination of ethics and Deleuzo Guattarian philosophy to understand the post neoliberal era Contributors argue that current critiques of neoliberalism ignore the determining role of colonialism and the accelerated threat of climate breakdown They highlight the precariousness of our planetary existence and propose new forms of inquiry into Deleuzo Guattarian becoming Deleuze Guattari and the Schizoanalysis of Post Neoliberalism considers new modes of capitalism societies built on exhaustion digital power education agroforestry as well as literary texts that characterise the post neoliberal era Alongside these critical positions the volume uses an ethical framework to challenge dialectical divisions in neoliberal critique In the process the essays remap the antagonisms discontents and tensions of current post neoliberal becoming *Translingual Practices* Sender Dovchin, Rhonda Oliver, Li Wei, 2024-05-09 Based on range of global case studies this book expands current work on translingual playfulness through an exploration of precariousness Imagined Israel(s): Representations of the Jewish State in the Arts Rocco Giansante, Luna Goldberg, 2023-02-27 The return of Jews to their ancestral land can be seen as an act of imagination A new country citizenship language and institutions needed to be imagined in order to be created The arts too have contributed to this act of envisioning and shaping the Jewish state By examining artistic representations of Israel Imagined Israel s Representations of the Jewish State in the Arts explores the ways in which the Israel imagined abroad and the one conjured within the country intersect offering a space for the co existence of sociopolitical cultural and ideological differences and tensions **Values That Pay** Kendra Salois, 2025-04-22 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more Today Morocco s hip hop artists are vital to their country s reputation as diverse creative and modern But in the 1990s and 2000s teenage amateurs shaped their craft and ideals together as the profound socioeconomic changes of neoliberalization swept through their neighborhoods Values That Pay traces Moroccan hip hop s trajectory from sidewalk cyphers and bedroom studios to royal commendations and international festivals Kendra Salois draws from more than ten years of research into her interlocutors music and moral reasoning to explore the constitutive tensions of institutionalization hip hop aesthetics and neoliberal life Entrepreneurial artists respond to their unavoidable complicity with an extractive state

through aesthetic and interpersonal sincerity educating their fans on the risks and responsibilities of contemporary citizenship Salois argues that over the past forty years Moroccan hip hop practitioners have transformed not only themselves but also what it means to be an ethical citizen in a deeply unequal nation
