From Trials to Triumph Bishop W. E. Brooks D. D.,2021-10-08 This book was birthed from personal experiences in my life as a minister and christian believer It is my sincere prayer that as you read each chapter you will find hope and guidance through your present trial or storm Be assured they will not remain as trials but afterwards our loving Savior will launch you into a blissful orbit where the richness of his triumphant victory resides Trials are assigned by God and therefore their assignment has an expiration date This book is written to inspire you to persevere through every trimester of the trial you encounter and understand the pain is essential to the new birth you are about to experience in your relationship with Christ Reformation of our thoughts about suffering will bring about a new perception and understanding of its purpose beyond its

presence We must consider ourselves as privileged to suffer because of divine favor and selection for the advancement of the kingdom of God During the trial allow Christ to mold you and prepare you to fulfill the divine assignment He has appointed to your destiny Don t walk away from the trial but embrace it and gracefully endure hardness as a good soldier of Jesus Christ During the trial your faith will increase and your expectation will evolve to new levels as you become demonstrative of the power of Christ in your life

I Shall Live Cora Baldwin,2013-09 Why you may ask did I write this testimony Because God wanted me to witness to you and those who feel that God is not the same as he was in the Bible days To those who may be growing weary in waiting on God and thinking that maybe God is not going to do it for me like he did it for others maybe it s just my dream You may be feeling like I am going to go to my grave with all these gifts inside of me God told me to write and prove to you that you will live until God s will for your life is complete that you are never too old for God to use you to heal you to raise you up and manifest himself in your life Get up from that down position in your mind and spirit speak to yourself and say I shall live I shall not die until God brings his will forth in my life The devil is a liar and a loser I shall live and have life more abundantly that is God s will for my life God bless you all my brothers and sisters in the Lord and even those of you reading this testimony and have never believed in God May you live long enough to see God work a miracle in your life O death where is thy sting O grave where is thy victory 1 Corinthians 15 55

Transformation Dr. Althea L Phillips,2017-05-17 The book was written in the hope that followers of Jesus Christ will become more aware of the importance of the transformation process The Need for Transformation is a sincere and encouraging spiritual handbook that helps followers to keep focused on the transformative influence and presence of God in their lives if only they are open to him and turn to his direction This transformation allows for Christian followers to think more effectively in their walk with God and as Brides of Christ The result of thinking like Him is a unique mindset found in the Bride of Christ The Brides of Christ are followers that have a much deeper personal relationship with Him when seeking first the Kingdom of Heaven and its righteousness The 21st Century Virgins are followers who are saved but have not established a forever love personal intimate relationship with Christ through seeking the Kingdom of Heaven and have not come to know their purpose in him This process increases their capability to live an abundant life as men and women in the Body of Christ The church is faced with the challenge of developing and implementing programs into its weekly routine that not only attract nonbelievers but also teach current believers to realize how important it is to seek the Kingdom of God and its righteousness and the need for transformation as it relates to discovering their purpose PRESSING FORWARD AKWASI AFRIYIE,2014-07-26

Selling the Right Way, Prayerfully God's Way Jim Abraham,2011-12-30 Most sales publications cover selling exclusively from the worlds point of view They cover a topic or two that may peak the interest of the reader but they leave out two elements that are critical to a Christian sales professionals success What are those two essentials you need to know They are 1 Where does God fit into your life as a salesperson and 2 What else do you need to know to be a long term sales pro You see selling is more than one or two techniques that will manipulate your prospect into buying Its more than a few closing techniques that will seal the deal Sales is an ability you are given by God to help other people solve their problems You are a problem solver an advocate for your client This book will help you become the best you can be with prayer and Gods guidance *Hanging on for Dear Life* Olivia Kay Knowles,2018-04-11 There s nothing exciting about being forced into the fraternity of hurting parents but once there the question becomes one of survival for you your young adult offspring your

family and the relationships you all share How do you deal with the issues and heartache that accompany the drama And if you re a Christian how do you reconcile your understanding of who God is with the situation in which you find yourself For most parents understandably the question becomes How can I get through to my son daughter But the question that really needs to be asked may be How can I get a grip on myself so I don t do things that make matters worse This book is a toolkit filled little by little one tool one difficulty at a time With these tools the Lord Jesus Christ upheld me firmly but tenderly showed me options that lay before me and helped me navigate giving me fresh perspective in the midst of heart wrenching challenges I shudder to think how I might have responded absent His help Amazingly often unbeknown to me at the same time the Lord was helping me He was wonderfully at work in the lives of our young adult children and our family as a whole My toolkit is something I wish I d never needed but over time it has become a treasure for which I am deeply grateful I humbly share my treasure with you
