It's All About Him Denise Jackson, Ellen Vaughn, 2007-07-29 Alan and Denise Jackson s life seemed like a fairy tale high school sweethearts marry young and leave small town Georgia to pursue big dreams in Music City They pay their dues work hard weather deep disappointments Then their dreams come true In fairy tales the Jacksons material success plus their perfect marriage their three beautiful daughters and their supportive families would have signaled a happily ever after ending But real life is different from fairy tales At the pinnacle of their success the Jacksons separated For Alan musical renown fame and wealth still did not make up for the marital problems the Jacksons had struggled with for years And for Denise building her life around Alan and riding the tide of his success had somehow left her hollow unsure of just who she really was You don t have to be rich and famous to go through struggles like these Sooner or later we all come to the point when we realize that real joy and peace isn t just around the corner of the next achievement the next relationship the next new thing That s why Alan and Denise Jackson s story isn t just a great read and a dramatic intimate look at the golden world of celebrity It s a story of the greatest love of all the love that will never let you go and how to find it no matter who you are where you live or what you ve done Denise s story is an inside perspective on the results of the ups and downs of fame Her personal struggles with life s ordinary and extraordinary consequences her passion to have a stronger marriage and her desire to have a closer walk with God make for a truly inspiring life Carrie Underwood 2005 American Idol Winner ACM CMA Female Vocalist of the Year
