Jet Age Aesthetic Vanessa R. Schwartz,2020-02-21 A stunning look at the profound impact of the jet plane on the mid century aesthetic from Disneyland to Life magazine Vanessa R Schwartz

engagingly presents the jet plane's power to define a new age at a critical moment in the mid 20th century arguing that the craft's speed and smooth ride allowed people to imagine themselves living in the future Exploring realms as diverse as airport architecture theme park design film and photography Schwartz argues that the jet created an aesthetic that circulated on the ground below Visual and media culture including Eero Saarinen's airports David Bailey's photographs of the jet set and Ernst Haas's experiments in color photojournalism glamorized the imagery of motion Drawing on unprecedented access to the archives of The Walt Disney Studios Schwartz also examines the period's most successful example of fluid motion meeting media culture Disneyland The park's dedication to people moving defined Walt Disney's vision shaping the very identity of the place The jet age aesthetic laid the groundwork for our contemporary media culture in which motion is so fluid that we can surf the internet while going nowhere at all ***The Epidemic*** Suzanne Young, 2016-04-19 Quinlan is a closer someone who takes on the short term role of a deceased loved one Her last case brought down her entire world now she's involved in an effort to fight an epidemic ***Parrot Culture*** Bruce Thomas Boehrer, 2010-03-09 Exploring the presence and meanings of these birds in the art literature and history of Western civilization Parrot Culture traces the unusual history of parrots from their introduction in the Graeco Roman world through the great age of New World exploration to the contemporary ecological crisis of globalism ***Young Adult Literature and Adolescent Identity Across Cultures and Classrooms*** Janet Alsup, 2010-07-02 Taking a critical research oriented perspective this book explores the theoretical empirical and pedagogical connections between reading and teaching young adult literature in middle and secondary classrooms and adolescent identity development ***EBay For Dummies*** Marsha Collier, 2014-01-28 Presents a guide to the online auction house explaining how to buy and sell online submit winning bids and effectively market items for sale ***The Stars At Night*** Carter Burke, 2011-03-11 Assigned to a sleepy military town in the heart of Texas Morgan faces love for the first time Is the man she is assigned to bring down going to bring her down Faced with rogue military police and a sweet southern gentleman will she lose the battle or win the war ***The Retro-Futurism of Cuteness*** Jen Boyle, Wan-Chuan Kao, 2017-11-03 Is it possible to conceive of a Hello Kitty Middle Ages or a Tickle Me Elmo Renaissance The Oxford English Dictionary dates the first reference to cute in the sense of attractive pretty charming to 1834 More recently Sianne Ngai has offered a critical overview of the cuteness of the twentieth century avant garde within the context of consumer culture But if cuteness can get under the skin what kinds of surfaces does it best infiltrate particularly in the framework of historical forms events and objects that traditionally have been read as emergences around big aesthetics of formal symmetries high affects and resemblances The Retrofuturism of Cuteness seeks to undo the temporal strictures surrounding aesthetic and affective categories to displace a strict focus on commodification and cuteness and to interrogate how cuteness as a minor aesthetics can refocus our perceptions and readings of both premodern and modern media literature and culture Taking seriously the retro and the futuristic temporalities of cuteness this volume puts

in conversation projects that have unearthed remnants of a cult of cute positioned historically and critically in between transitions into secularization capitalist frameworks of commodification and the enchantment of objects and those that have investigated the uncanny haunting of earlier aesthetics in future oriented modes of cuteness The Latin *acutus* the etymological root of cute embraces the sharpened the pointed the nimble the discriminating and the piercing But as Michael O'Rourke notes cuteness evokes a proximity that is at once potentially invasive and contaminating and yet softening and transfiguring Deploying cuteness as a mode of inquiry across time this volume opens up unexpected lines of inquiry and unusual critical and creative aporias from Christian asceticism medieval cycle drama and Shakespeare to manga Bollywood and Second Life The projects collected here point to a spectrum of aesthetic affective assemblages related to racial ethnic gender sexual and class dimensions that exceed or trouble our contemporary perceptions of such registers within object subject and subject object entanglements
