

THE BIG IDEA: The expansion of voting rights and the election of Andrew Jackson signaled the growing power of the American people.

Expansion of Democracy

- Early 1800s -- many changes in America:
 - In the North - craftspeople owned shops being replaced by big factories staffed by hired workers.
 - In the South - small family farms being replaced by large cotton plantations -wealthy white owners—worked by slaves (Wealth concentrated in fewer hands.)
- Late 1700s view of how government should be managed: should be run by wealthy, property owning white men
 - The result was a growing belief that - the wealthy had all the power in the US—government policies seemed to help build and maintain that power
- Andrew Jackson: reform-minded, popular war hero, lost the controversial 1824 election
 - Popular with/supported by -farmers, settlers, slave owners
 - Popular because -they thought he would defend the rights of the common people, & slave states, disappointed in the way he lost the election of 1824
 - Democratic reforms during this period: --some states changed qualifications for voters—more white male suffrage, revised rules—excluded free blacks from voting, began nominating conventions where party members (NOT LEADERS) chose candidates

Election of 1828

- Democratic Party: --formed by Jackson supporters during Election of 1828

Jacksonian Democracy Study Guide Answers:

The Concept of Jacksonian Democracy Lee Benson, 2015-03-08 Jacksonian Democracy has become almost a commonplace in American history But in this penetrating analysis of one state its voting cycles party makeup and social ethnic and religious patterns Lee Benson shows that the concept bears little or no relation to New York history during the Jacksonian period New York voters between 1816 and 1844 did not follow the traditional distinctions between Whigs and Democrats Ethnic and religious ties were stronger social forces than income occupation and environment Mr Benson s examination suggests a new theory of American voting behavior and a reconsideration of other local studies during this period Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 US Citizenship Test Study Guide 2024-2025:500 Practice Questions and Answers Claire Georgette Wiman, US Citizenship Test Study Guide 2024 2025 The Ultimate Resource for Acing Your Naturalization Exam Are you preparing for the U S citizenship test and seeking a comprehensive up to date resource to guide you through the process Look no further US Citizenship Test Study Guide 2024 2025 is your essential companion for acing the naturalization exam with confidence This all in one study guide is meticulously crafted to help you understand and master every aspect of the U S citizenship test With up to date information reflecting the latest changes and requirements for 2024 and 2025 this guide offers Detailed Coverage In depth explanations of U S government history and civics including all the key topics you ll be tested on Practice Questions and Answers Realistic questions modeled after the actual test to help you gauge your knowledge and improve your test taking skills Expert Tips and Strategies Proven techniques and strategies to help you prepare effectively and efficiently ensuring you feel confident on test day Visual Aids and Resources Clear easy to understand charts diagrams and summaries that simplify complex concepts and make studying more effective Whether you re a new applicant or looking to refresh your knowledge this guide offers a clear path to success It s designed to be user friendly making it accessible to all levels of learners Prepare thoroughly boost your confidence and increase your chances of passing the U S citizenship test with flying colors Get your copy of US Citizenship Test Study Guide 2024 2025 today and take the next step towards becoming a U S citizen **Jacksonian Democracy and the Working Class** , *AP U.S. History For Dummies* Greg Velm, 2009-01-29 Getting ready to tackle the AP U S History exam AP U S History For Dummies is a practical step by step guide that will help you perfect the skills and review the knowledge you need to achieve your best possible score Discover how to identify what the questions are really asking and find out how to combine your history knowledge with context clues to craft thoughtful essays Try your hand at two true to life AP exams complete with detailed answer
