JFK Fredrik Logevall, 2021-09-07 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A Pulitzer Prize winning historian takes us as close as we have ever been to the real John F Kennedy in this revelatory biography of the iconic yet still elusive thirty fifth president An utterly incandescent study of one of the most consequential figures of the twentieth century Jill Lepore author of *These Truths* A History of the United States WINNER OF THE ELIZABETH LONGFORD PRIZE

NAMED BIOGRAPHY OF THE YEAR BY The Times London ONE OF THE BEST BOOKS OF THE YEAR The Sunday Times London New Statesman The Daily Telegraph Kirkus Reviews By the time of his assassination in 1963 John F Kennedy stood at the helm of the greatest power the world had ever seen a booming American nation that he had steered through some of the most perilous diplomatic standoffs of the Cold War Born in 1917 to a striving Irish American family that had become among Boston s wealthiest Kennedy knew political ambition from an early age and his meteoric rise to become the youngest elected president cemented his status as one of the most mythologized figures in American history And while hagiographic portrayals of his dazzling charisma reports of his extramarital affairs and disagreements over his political legacy have come and gone in the decades since his untimely death these accounts all fail to capture the full person Beckoned by this gap in our historical knowledge Fredrik Logevall has spent much of the last decade searching for the real JFK The result of this prodigious effort is a sweeping two volume biography that properly contextualizes Kennedy amidst the roiling American Century This volume spans the first thirty nine years of JFK s life from birth through his decision to run for president to reveal his early relationships his formative experiences during World War II his ideas his writings his political aspirations In examining these pre White House years Logevall shows us a more serious independently minded Kennedy than we ve previously known whose distinct international sensibility would prepare him to enter national politics at a critical moment in modern U S history Along the way Logevall tells the parallel story of America s midcentury rise As Kennedy comes of age we see the charged debate between isolationists and interventionists in the years before Pearl Harbor the tumult of the Second World War through which the United States emerged as a global colossus the outbreak and spread of the Cold War the domestic politics of anti Communism and the attendant scourge of McCarthyism the growth of television s influence on politics and more JFK Coming of Age in the American Century 1917 1956 is a sweeping history of the United States in the middle decades of the twentieth century as well as the clearest portrait we have of this enigmatic American icon **America's Queen** Sarah Bradford,2001-10-01 Now the subject of a new film directed by Pablo Larrain Jackie starring Natalie Portman Acclaimed biographer Sarah Bradford explores the life of Jacqueline Kennedy Onassis the woman who has captivated the public for more than five decades in a definitive portrait that is both sympathetic and frank With an extraordinary range of candid interviews many with people who have never spoken in such depth on record before Bradford offers new insights into the woman behind the public persona She creates a coherent picture out of Jackie s tumultuous and cosmopolitan life from the aristocratic milieu of Newport and East Hampton to the Greek isles from political Washington to New York s publishing community She probes Jackie s privileged upbringing her highly public marriages and her roles as mother and respected editor and includes rare photos from private collections to create the most complete account yet written of this legendary life Jacqueline Kennedy Onassis s life is once again the center of interest with the 2016 release of the Pablo Larrain movie Jackie starring Natalie Portman **Jackie** Paul Brandus,2020-08-25 The world was shocked when Jacqueline Kennedy married

Aristotle Onassis in 1968 It would not have been so surprising had the truth of their relationship which dated back to the 1950s been known Jackie knew Ari almost as long as she had known John F Kennedy and saw qualities in him besides money that she found highly attractive The five years between her marriages to JFK and Onassis are often overlooked But it was an incredible period of growth and change for Jackie How did the world's most famous woman remain so enigmatic What was she really like This book reveals the real Jackie the one that hid behind her trademark large sunglasses In this book you'll learn about Jackie's lovers and the one man she regretted not marrying The secret second burial of JFK Her evolution from political wife Jackie into nightclubbing party girl Jackie Her own near death in 1967 Her influence on pop art fashion and design

The Final Curtain Harry Garlick, 2023-11-20 Death is the one subject about which our culture is still reticent Consequently many ceremonies about death are not examined in an open enquiring and direct way The state funeral that large public ritualized statement about death is accepted in our society while its deeper significances remain unexamined because it is seen as something of an historical curiosity a survival from an earlier age associated with the traditions of that society This well illustrated study of a number of state funerals of the Medicis and the Habsburgs in the Renaissance of the Duke of Albemarle in the seventeenth century of the Duke of Wellington and Abraham Lincoln in the nineteenth century and of President Kennedy and Diana Princess of Wales in the twentieth century and the mythical structures and traditions they represent examines two aspects in particular the strongly political undertones of the public statements and the theatrical elements of the public ritual

Claretta R. J. B. Bosworth,2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy s fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple s bodies were then hanged upside down in Milan s main square in ignominious public display This provocative book is the first to mine Clara s extensive diaries family correspondence and other sources to discover how the last in Mussolini s long line of lovers became his intimate and how she came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta s family her na ve and self interested commitment to fascism her diary s graphically detailed accounts of sexual life with Mussolini and much more Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy s totalitarian fascist state but also on Mussolini himself

The Kennedy Women Laurence Leamer,1996-09-29 A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING TALENTED AND DEEPLY FLAWED FAMILY Boston Herald Laurence Leamer was granted unheralded access to private Kennedy papers and he interviewed family and old friends many of whom had never been interviewed before for this incredible portrait of the women in America s royal family From Bridget Murphy the foremother who touched shore at East Boston in 1849 to the intelligent independent Kennedy women of today Laurence Leamer tells their unforgettable stories Here are the private thoughts of Kathleen the flirtatious debutante in prewar England the truth behind Joe Kennedy s insistence that his mildly retarded daughter Rosemary be lobotomized the real story behind Joan and Ted s whirlwind romance Jackie s desire for a divorce from JFK in the 1950s Pat Lawford s disastrous Hollywood marriage how Caroline discovered her cousin David s death by overdose and more Tough enough to withstand the unimaginable these Kennedy women soldier on in the name of their extraordinary family and what they believe is right

MASTERFUL AN ENDLESSLY FASCINATING READ A wealth of beautifully rendered social detail at times reading like a realist novel by Edith Wharton A page turner from start to finish The Dallas Morning News

The Kennedys The Poynter Institute,2010-09-15 One of the most influential families in American history the Kennedys have had their lives documented by the media for the past 50 years The Kennedys America s Front Page Family tells the story of this fascinating family through a collection of newspaper front pages gathered from the archives of The Poynter Institute From the political rise and assassination of President John F Kennedy to the final accomplishments and passing of Senator Ted Kennedy nothing paints a clearer and timelier picture of these historic events than the stories written

by the writers and editors of the world's newspapers. A few of the events that are featured include JFK's declaration for the presidency, JFK's man on the moon address, the Bay of Pigs Invasion, the Cuban Missile Crisis, Robert Kennedy's assassination, JFK Jr.'s plane crash, Maria Shriver and Arnold Schwarzenegger's marriage, and Ted Kennedy's endorsement of Barack Obama during the 2008 election.

Eunice Eileen McNamara, 2019-04-23 In this revelation of a biography, USA TODAY, a Pulitzer Prize-winning journalist examines the life and times of Eunice Kennedy Shriver, arguing she left behind the Kennedy family's most profound political legacy. While Joe Kennedy was grooming his sons for the White House and the Senate, his Stanford-educated daughter Eunice was hijacking her father's fortune and her brothers' political power to engineer one of the great civil rights movements of our time on behalf of millions of children and adults with intellectual disabilities. Her compassion was born of rage at the medical establishment that had no answers for her sister Rosemary, at her revered but dismissive father whose vision for his family did not extend beyond his sons, and at a government that failed to deliver on America's promise of equality. Now in this fascinating, nuanced biography, ace reporter and artful storyteller, Pulitzer Prize-winning author Megan Marshall finally brings Eunice Kennedy Shriver out from her brothers' shadow. Granted access to never-before-seen private papers, including the scrapbooks Eunice kept as a schoolgirl in prewar London, McNamara paints an extraordinary portrait of a woman both ahead of her time and out of step with it: the visionary founder of Special Olympics, a devout Catholic in a secular age, and an officious cigar-smoking, indefatigable woman whose impact on American society was longer-lasting than that of any of the Kennedy men.

America Transformed Richard M. Abrams, 2006-07-03 America has seen a multitude of transformations since its founding. This 2006 book examines the period 1941-2001 during which time the character of American life changed rapidly, culminating in the shattering of the Liberal Democratic coalition. Revolutions in the areas of affluence, foreign policy, the military, business, systems, racial relations, gender roles, sexual behavior, and attitudes, and disregard for privacy are discussed. Rather than cite historical facts as they occurred, *America Transformed* analyzes them and offers a fresh and often controversial perspective. Abrams draws on a wealth of published sources to highlight his original arguments on McCarthyism, the Cold War, Eisenhower, Kennedy, Nixon, and Johnson, to name a few topics. The synthesis of information and the depth of insight are simply unparalleled in any other book of American social history from 1941-2001.

Women's America Linda K. Kerber, Jane Sherron De Hart, 2000 Featuring a mix of primary source documents, articles, and illustrations, *Women's America: Refocusing the Past* has long been an invaluable resource. Now in its sixth edition, the book has been extensively revised and updated to cover recent events in American women's history. It provides many new selections from leading theorists and historians and restores several readings that were cut from the fifth edition. Successfully classroom-tested, these new essays offer more material on the impact of ethnicity in American culture, the roles that women have played in the creation of male-dominated structures, and the international dimensions of women's lives. The introductory essay has been revised, and the bibliography

has been updated to take into account the growing body of contemporary literature in the field Women s America is an essential text for courses in women s history and an ideal supplement for more general survey courses on American history Book jacket *Congressional Record* United States.
