Kennedys Brien Roman:

No Country for Old Men Paddy Lyons, 2008 The concepts of Ireland and Irishness are in constant flux in the wake of an ever increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity Reimagining Ireland interrogates Ireland s past and present and suggests possibilities for the future by looking at Ireland s literature culture and history and subjecting them to the most up to date critical appraisals associated with sociology literary theory historiography political science and theology *The Faiths of the Postwar Presidents* David L. Holmes, 2020-10-07 Impressively balanced accounts of such matters as Nixon s betrayal of Billy Graham s trust and Obama s connection to Jeremiah Wright An interesting take Booklist From the author of *The Faiths of the Founding Fathers* an acclaimed account of the spiritual beliefs of such iconic Americans as Franklin Washington and Jefferson this is a measured look at the role of faith in the lives of twelve presidents who have served since the end of World War II David Holmes examines not only the beliefs professed by each president but also the variety of possible influences on their religious faith such as their upbringing their education and the faith of their spouse In each profile close observers such as clergy family members friends and advisors recall churchgoing habits notable displays of faith or lack of it and the influence of their faiths on policies concerning abortion the death penalty Israel and other controversial issues Whether discussing John F Kennedy s philandering and secularity or Richard Nixon s betrayal of Billy Graham s na ve trust during Watergate Holmes includes telling and often colorful details not widely known or long forgotten We are reminded for instance how Dwight Eisenhower tried to conceal the background of his parents in the Jehovah s Witnesses and how the Reverend Cotesworth Lewis s sermonizing to Lyndon Johnson on the Vietnam War was actually not a left but a right wing critique An admirable and colorful yet balanced look at our recent Presidents and their religious beliefs It will have wide appeal for all readers and particularly for those interested in presidential history Library Journal *Reports from Committees* Great Britain. The Miseries and Misfortunes of Ireland and the Irish People. From the Evidence Taken by the Commissioners, Etc Great Britain.. Commissioners Appointed to Inquire into the Condition of the Poorer Classes in Ireland,1836

The Roman Empire Colin Michael Wells,1995 This sweeping history of the Roman Empire from 44 BC to AD 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in Italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other Colin Wells s vivid account is now available in an up to date second edition

Roman Military Equipment from the Punic Wars to the Fall of Rome, second edition M. C. Bishop,John Coulston,2006-04-22 Rome s rise to empire is often said to have owed much to the efficiency and military skill of her armies and their technological superiority over barbarian enemies But just how advanced was Roman military equipment What were its origins and how did it evolve The authors of this book have gathered a wealth of evidence from all over the Roman Empire excavated examples as well as pictorial and documentary sources to present a picture of what range of equipment would be available at any given time what it would look like and how it would function They examine how certain pieces were adopted from Rome s enemies and adapted to particular conditions

of warfare prevailing in different parts of the Empire They also investigate in detail the technology of military equipment and the means by which it was produced and discuss wider questions such as the status of the soldier in Roman society Both the specially prepared illustrations and the text have been completely revised for the second edition of this detailed and authoritative handbook bringing it up to date with the very latest research It illustrates each element in the equipment of the Roman soldier from his helmet to his boots his insignia his tools and his weapons This book will appeal to archaeologists ancient and military historians as well as the generally informed and inquisitive reader Parliamentary Papers Great Britain. Parliament. House of Commons,1903 **The Scribner Encyclopedia of American Lives** William L. O'Neill,2003 This volume includes 500 biographies of Americans from the artists and writers to the politicians and military figures the reformers and the criminals who flourished during the tumultuous 1960s Rather than focusing on a subject's entire life more detail is placed on events in the life and contributions of the biographee In addition the volume is arranged in a handy A Z format and includes an occupational subject list and comprehensive index Selection of parochial examinations relative to the destitute classes in Ireland, etc Great Britain.. Commissioners Appointed to Inquire into the Condition of the Poorer Classes in Ireland,1835 *The Kennedys* Thomas Maier,2003-10-15 A meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies 100 000 first printing **Warfare and Society in Imperial Rome, C. 31 BC-AD 280** Brian Campbell,2002-07-18 This well documented study of the Roman army provides a crucial aid to understanding the Roman Empire in economic social and political terms Employing numerous examples Brian Campbell explores the development of the Roman army and the expansion of the Roman Empire from 31 BC 280 AD When Augustus established a permanent professional army this is *Shakespeare on Screen : The Roman Plays* , Is there a specificity to adapting a Roman play to the screen This volume interrogates the ways directors and actors have filmed and performed the Shakespearean works known as the Roman plays which are in chronological order of writing Titus Andronicus Julius Caesar Antony and Cleopatra and Coriolanus In the variety of plays and story lines common questions nevertheless arise Is there such a thing as filmic Romanness By exploring the different ways in which the Roman plays are reinterpreted in the light of Roman history film history and the Shakespearean tradition the papers in this volume all take part in the ceaseless investigation of what the plays keep saying not only about our vision of the past but also about our perception of the present **Year Book ...** Catholic University of America,1914 John F. Kennedy Before the Greater Houston Ministerial Association, September 12, 1960 Deane Alwyn Kemper,1968 **The Kennedys: America's Emerald Kings** Thomas Maier,2009-03-25 Meticulously researched both here and abroad The Kennedys examines the Kennedy's as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy's arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant

background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK s pioneering campaign for president rested on a tradition of navigating a cultural divide that began when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe Kennedy s tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier s original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country s foremost political dynasty **Paul, The Apostle of Obedience** Jason A.

Myers,2022-08-25 Jason A Myers reconsiders the meaning and context of the phrase the obedience of faith in Rom 1 5 and how it contributes to the theme of obedience in Romans In contrast to previous studies that have nearly exclusively focused on the obedience language in light of the Hebrew Bible and Second Temple literature Myers instead investigates how this language functioned within the Greco Roman world particularly in the discourse of the Roman Empire By studying both the Greco Roman contexts and the use of obedience language during the Empire Myers sheds fresh light on the meaning of the obedience of faith and concludes that such examination helps contemporary readers understand how Gentiles in Paul s audience would have heard and received the terms and images relating to obedience In addition he argues that Paul s use of obedience language both at the beginning and end of Romans 1 5 15 18 serves as rhetorical bookends and signals a theme that is central to Paul s purpose in Romans and integral to his calling as an apostle to the Gentiles
