Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary's commentary Although
he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His
concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions
they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to
give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to
