superficial Apple Wooten knows best that she's wasted her life in and out of rehab betraying those she considers friends and never forming attachments with anyone but her unhealthily cloistered family. When her brother shocks all of them by announcing he's leaving the Wooten Law Firm in New York City and moving to Amethyst Wisconsin, a mere blip on the map to marry a small town girl, Apple is prodded by her mother to rush in and talk sense into him. Though it's the last thing she wants to do considering she's just been released from another rehabilitation, she doesn't expect to stick, and Amethyst is the hometown of a friend she all but destroyed with her selfishness. She nevertheless sees no way to avoid her mother's bidding. She'd never been able to refuse her parents anything and not simply because they control the purse strings. The one person in Amethyst who will give her the time of day is Bailey Bay Johnson, who also went into the family business. The Johnsons own a slew of resort cabins on Lake Amethyst, and during the tourist season they do brisk bustling business. Apple had met Bailey years ago the first time she ever came to Amethyst when she'd ordered him around and all but made him her servant. Bailey didn't seem bothered by her cruel teasing then, just as he doesn't seem to be affected by her humbled fumbling attempts at kindness now. As the youngest of nine siblings in a close knit family, Bailey has learned that acceptance is far easier than fighting. Unfortunately, a bad experience with love when he was young also taught him that folding is preferable to holding, because reaching for forbidden fruit like the treacherous beautiful disaster and recently child like and fragile Apple Wooten could be the worst mistake he's ever made.

Briar's Patch Karen Wiesner, 2017-01-31

As a teenager, Roman Bud Marasek was shy and withdrawn, a farmer's kid who grew up to be a farmer himself. The first girl he loved was Briar Sankey, a popular girl with big beautiful eyes and a wild clothing and makeup style. It took him years to work up the courage to ask her out, and their date was the best night of his life. But when she never answered his calls after that and started dating the star athlete, he'd realized he'd only been wishing for the moon. Years passed. Bud fell in love with Evette, had a daughter, and his wife died unexpectedly. Raising Harper hasn't been easy alone, but at forty-seven he feels completely unprepared for being both father and mother to a moody teenage daughter with too many boyfriends and life and death meltdowns. He turns to Briar for help. Briar is running her mother's restaurant, has finally toned down her style, and unbelievably has never married and seems content to be alone. Looks are deceiving. Briar had spent her life confident she had all the time in the world to make a life for herself and any choice she wanted. At forty-seven, she no longer has the same choices. With both of her parents gone, she's the only one left to run the restaurant, her mother's legacy to the small town of Amethyst, and what she considers her patch in the big wide world. Additionally, the few eligible men in the area don't interest her. Letting slip an unintended faux pas, a friend of both Briar and Bud reveals to Briar that Bud has had a thirty-year crush on her. Suddenly, his reason for coming by the cafe nearly every day of his life takes on startling meaning. In truth, she'd barely noticed him most of the time. When he asks her for help with Harper, she can't refuse. And suddenly, she's seeing Bud in a whole new light and falling in love with the sweet shy man who's been there all along.

For Auld Lang Syne Karen Wiesner, 2017-12-11

At the ripe old age of thirty-six, Clay

Wooten is tired of his law career and his insane meddling family. Between constantly having to rescue his younger sister from her life and death antics and his parents' high-handed belief that they can manage his life better than he can, he wants out. At the very least, he wants to escape long enough to figure out on his own which direction to follow for his future.

Harper Marasek had spent her teenage years wanting nothing more than to escape the stifling, suffocating small town she was born and raised in. When the charming and much too old for her Clay Wooten passed through Amethyst when she was fifteen years old, she found herself smitten. A few years later, she headed to New York to start college and learn how to be an independent woman. Harper secretly hoped to meet up with Clay, and though for the years she was in college they shared an off and on intimacy that could never be enough for her, she unfathomably finds after getting her degree that she misses Amethyst, her family, and old friends, and the small town values she'd dismissed as old-fashioned when she was younger. With the offer of a job waiting for her in her hometown and a marriage proposal from her high school boyfriend, Harper contacts Clay to say goodbye forever. Clay has spent a lifetime unwilling to allow himself to be shackled by anyone or anything except his family. Women have merely been a means to an end and unfettered pleasure for him. But realizing he's losing Harper, he suddenly wants nothing more than to hold on tight to the best part of his life. On the pretense of getting away from his family, he suggests to Harper that they take a road trip to end in Amethyst for auld lang syne. Harper has resigned herself to never capturing Clay's heart, but she's loved him for as long as she can remember. How can she refuse his offer when her happiest moments have been spent with this man?

Love and Lies Clancy Martin,2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying At least since Socrates s discourse on love in Plato s Symposium philosophers have argued that love can lead us to the truth about ourselves and the ones we love But in the practical experience of erotic love and perhaps especially in marriage we find that love and lies often work hand in hand and that it may be difficult to sustain long term romantic love without deception both of oneself and of others Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust Love and Lies is a relentlessly honest book

about the difficulty of love which is certain to both provoke and entertain
