death Ponson du Terrail wrote thousands of pages chronicling Rocambole's adventures first as a master criminal then as a defender of justice. The novels also offer an eye-opening account on how society was structured in 19th century France with stark divisions between nobility, rich businessmen, and the working classes. Far from being outdated, these novels feel as fresh today as when they were written over 150 years ago.

About the Author: Pierre Alexis Ponson du Terrail was born in France in 1829. From 1850 he started writing serials for several newspapers and in 20 years will write over 200 novels. In 1857 he created the character of Rocambole, which will go on to achieve great success all over the world. The word *rocambolique* is still used nowadays in many languages to describe fantastic, incredible adventures and scheming plots.

With Germany's invasion of France in 1870, Ponson du Terrail joins the resistance, but a sudden illness strikes him and he dies in January 1871.
