Lost Fathers Laraine Herring, 2005-03-03 Examines the long term ramifications for adult women who as adolescent girls lost their fathers to death divorce or addiction helps them understand how their behaviors were shaped by that loss at a pivotal developmental stage and provides some interactive exercises to help them heal Original **Lost Fathers** Cynthia R. Daniels, 2000-04 This book brings together the voices of a highly diverse group of scholars to reflect on the culturally and politically charged concept of fatherlessness in contemporary American politics **Absent Fathers, Lost Sons** Guy Corneau, 2018-03-27 A Jungian analyst examines masculine identity and the psychological repercussions of fatherlessness whether literal spiritual or emotional in the baby boom generation An experience of the fragility of conventional images of masculinity is something many modern men share Psychoanalyst Guy Corneau traces this experience to an even deeper feeling men have of their fathers silence or absence sometimes literal but especially emotional and spiritual Why is this feeling so profound in the lives of the postwar baby boom generation men who are now approaching middle age Because he says this generation marks a critical phase in the loss of the masculine initiation rituals that in the past ensured a boy's passage into manhood In his engaging examination of the many different ways this missing link manifests in men's lives Corneau shows that for men today regaining the essential second birth into manhood lies in gaining the ability to be a father to themselves not only as a means of healing psychological pain but as a necessary step in the process of becoming whole

life believing her father was dead All she knew of the man came through stories told by her mother At times he had been a surgeon at others a psychiatrist In truth he had been a fantasy Shortly after her sixteenth birthday Leonin learned from her mother that her father a Cuban exile was very much alive and living in Florida Her attempts to contact him however were thwarted until four years later when she left home in search of her roots She meets her father but trying to discover the truth behind him proves to be a more daunting task Her journey takes her to Miami Colombia and Cuba and her search for cultural identity leads her to create memories friendships and romances She finds moments of connection and redemption ending up in Havana not as a cultural tourist but as an illegitimate daughter of Cuba looking for validation What she discovers is an island bereft of fathers and brimming with paternalism As she becomes entangled with two different men she descends further into the Havana of poverty humiliation and despair as well as the ever inventive city that is as passionate as it is contradictory Insightful imaginative and often poetic Havana and Other Missing Fathers is Mia Leonin s recollection of this journey and her longing to learn more about her origins In the end she must learn to accept the answers she discovers as well as the questions that remain

Among the Tartar Tents, Or, The Lost Fathers. A Tale Anne Bowman,1861 **Forgetting Fathers** David Marshall,2015-09-24 An eloquent personal reflection on the fascination of family history and the desire to both discover and escape origins In *Forgetting Fathers* David Marshall weaves together the stories of his grandfather and great grandfather with his own quest to solve the mystery of his family s past Beginning as a search for his lost family name Marshall attempts to understand the origins of his grandfather who spent part of his childhood in the Hebrew Orphan Asylum of the City of New

York He also reconstructs the life and death of his great grandfather a Russian immigrant tailor who died at age thirty six in a private sanitarium dedicated to the treatment of mental and nervous diseases The narrative becomes a detective story that reflects on our ambivalence about origins the relation between history and mourning and the compulsion to search for life stories Forgetting Fathers combines historical accounts based on records reports and public documents with autobiographical reflections and speculations Included throughout are photographs newspaper clippings and facsimiles of original documents that provide a sense of both the texture of the times and the fabric of archival and genealogical research One of our most gifted literary scholars David Marshall in Forgetting Fathers has written an un forgettable detective story born in a deeply felt personal quest to solve the mystery of his grandfather s name The result is not only an absorbing read it is a profound testament to the human impulse to know who we are and from whence we came For Marshall that secret was locked a century ago in the Hebrew Orphan Asylum of the City of New York and in his odyssey to find and turn the key Marshall becomes the living proof of Eudora Welty s timeless line Remembering is done through the blood Henry Louis Gates Jr Alphonse Fletcher University Professor Harvard University Forgetting Fathers is a truly remarkable piece of work The pertinacity of Marshall as a reader as a critic as a theorist impels him on his quest to learn all that he can about his past The book is riveting Jonathan Freedman coeditor of Jewish in America From the Hebrew Orphan Asylum to the history of New York tailors David Marshall weaves his Jewish family memoir with gripping details An enlightening contribution to the growing body of research on the lives and institutions of twentieth century Jewish immigrants Mikhal Dekel author of The Universal Jew Masculinity Modernity and the Zionist Moment
