New edition in 2025 explaining all the big changes to the testing process and format effective March 2025. This is a fully updated version of this much read introduction to the office of Notary Public Louisiana. Civil law notaries enjoy functions, responsibilities, and earning potential unmatched in any other state and reserved there to attorneys. Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize, including affidavits, donations, powers of attorney, and even wills and trusts. And so much more with no educational requirement beyond high school but a state exam that is famously challenging. The entire process to become a notary is difficult and wrapped in some mystery. That is especially true in 2025 as the state transitions to a new system of registration and testing. This book is helpful if you're in the beginning stages of becoming a notary public. Or just thinking about joining the profession. It's about the process of registering to be a notary and why you'd want to. It's about the classes, books, resources, and options available to prep for the exam. It's not a study guide to the test's content itself. Other books do that, including the best-selling *Sidepiece* guide also by Prof. Childress of Tulane. But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying. Previously, no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you'd want to know right away about the exam process and its open book. Website information can be unclear and incomplete without disclosing the realities. This book is about what I wish someone told me from Day One when I was considering becoming a notary in Louisiana. An affordable addition to the Sherpa Series from Quid Pro Books. *Louisiana Notary Exam Sidepiece to the 2020 Study Guide: Tips, Index, Forms-Essentials Missing in the Official Book* Steven Alan Childress, 2020-02-24. The Louisiana Notary Exam has a 20% pass rate despite using the official Guide during the exam. But it has no index, big picture study strategies, exam tips, or paginated cross references. And few forms notaries use that they test. It's got law and notary rules while missing essentials for any such textbook. This book has all that and more. *Louisiana Notary Public Examination Official Study Guide* C. Alan Jennings, 2005. *Louisiana Notary Exam Sidepiece to the 2023 Study Guide* Steven Alan Childress, 2023-01-31. The Louisiana Notary Exam averages a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam day tips, not enough cross references, and few of the forms notaries use that they test. It's notoriously hard to follow. It doesn't explain most tested subjects, past exams, or recent changes. It's got the law and notary rules but it's missing essentials for any such
