This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present
More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture
politics and cook books Sections by topic list works covering various aspects including general sources folklore and history
vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film
and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented

Spoofing the Vampire Simon Bacon, 2022-10-24 Famous for being deathly serious the vampire genre has a consistent
yet often critically overlooked subgenre the comedic spoof and satire This is the first book dedicated entirely to documenting
and analyzing the vampire comedy on film and television Various types of comedy are discussed outlining the important
differences between spoofing serious spoofing parody and satire Seminal films such as Abbott and Costello Meet
Frankenstein Love at First Bite Vampire in Brooklyn Dracula Dead and Loving It and What We Do In the Shadows are
featured More importantly this book demonstrates how comedy is central to both the common perception of the vampire and
the genre s ever evolving character making it an essential read for those interested in the laughing undead and creatures
that guffaw in the night
