**In the Arms of Baby Hop** Kenneth Attaway, 2006-10 Many times in my adult life I have had what I would call an awake out of body experience During these times I was peeking in at my life in a dream state thinking this cannot be my life I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot and the young adult who never settled for can t Well somewhere along the way the only thing left of who I was once was were just shreds of an almost non existent life Now don t get me wrong there were some good times along the way but it certainly was not always smooth sailing But what came later in life was no comparison to the early years Not that long ago my life was filled with disappointment brokenness worry anxiety and fear I survived breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to Depression Central Getting off the road to depression was very difficult for me but

there is no job too hard for God If you can relate to the paralyzing despair that I went through then please know that I fellowship with you and understand the grip depression and anxiety can have on your life However I want you to know that your destination does not have to be a one way ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in God      Catalog of Copyright Entries ,1946      **Queer Arrangements** Lisa Barg,2023-10-03 Winner of the 2024 Philip Brett Award sponsored by the LGBTQ Study Group of the American Musicological Society AMS Honorable Mention for the 2025 Woody Guthrie Award The legacy of Black queer composer arranger and pianist Billy Strayhorn 1915 1967 hovers at the edge of canonical jazz narratives *Queer Arrangements* explores the ways in which Strayhorn s identity as an openly gay Black jazz musician shaped his career including the creative roles he could assume and the dynamics between himself and his collaborators most famously Duke Ellington but also iconic singers such as Lena Horne and Ella Fitzgerald This new portrait of Strayhorn combines critical historically situated close readings of selected recordings scores and performances with biography and cultural theory to pursue alternative interpretive jazz possibilities Black queer historical routes and sounds By looking at jazz history through the instrument s of Strayhorn s queer arrangements this book sheds new light on his music and on jazz collaboration at midcentury      Music Library of Congress.
