**Accepting the Gifts of Forgiveness** Donna Ing, 2011-09-21 This book is about revealing to yourself your own power through forgiving the idea that anyone else in your life is stronger than you are What does acceptance of the gifts of forgiveness mean From love flows forgiveness In love forgiveness is received Who can this book help This book is for all who are seeking peace in times of crises Key points 1 Forgiveness means giving over not giving up 2 Forgiveness flows from the awareness of love 3 Find the love within self so that forgiveness comes naturally What are the gifts of forgiveness You will receive a sense of freedom a sense of personal awareness a sense of peace and personal power The power of peace is a part of the revelation that comes from forgiving all the limits that have kept you so occupied in the world that you couldn't understand who you are The gift is recognizing that you have a right to something better the right to be free and the right to live comfortably without asking anyone else's permission Forgiveness brings about inner illumination enlightenment What's the process of forgiveness First recognize what is required to be forgiven and understand that you are required to forgive yourself as you forgive others Thinking I have nothing to forgive myself about is delusional and a denial of your greatest capabilities Second be willing to allow yourself to be all right even if you are wrong Forgiveness doesn't make you wrong but the ego makes you believe that if you forgive it is an admission of giving up Third feel the willingness to let the situation go Finally realize that you are a container for greater things than you have allowed Let yourself be filled up with a whole new viewpoint feeling about the person or situation and a whole new perspective of how it can work The Self Vows Dr. Michelle R. Hannah, 2020-02-26 This book is a part of the Self Vows program The wonderful thing about this program is that even if you can't complete the program face to face private sessions or the retreats you'll still experience life changing results Enjoy the book that echoes my face to face sessions and stories from others that have taken the self vows and some who didn't If you need to learn how to have and support everything about yourself or others if you need to learn how to stop looking in the rear view mirror and move forward if you want to learn how to commit to yourself and others or how to have a healthy relationship with finances while working through and forgiving unhealthy financial choices you must continue reading If you have a desire for a love that connects to daily evolution happiness and freedom commit to this book of love Finally you will learn and accept that you will never leave you When you commit to self in that way you will find it much easier to commit to another I give you ultimate transparency in this book My desire is to connect to you through my journey the journeys of others and well thought out questions that will penetrate deep within if you allow them to I commit to taking this journey with you Every time you open this book it symbolizes me showing up to guide you through a path that can be a most difficult one On the other hand it will be the most amazing journey you will ever experience You are the most important priority because without your peace of mind everything else is meaningless I have faith in you that after reading this book you will commit to the self vows as a daily inner compass as it relates to you being healthy happy healed and consistently
