Loving God With Your Mind Essays In Honor Of J P Moreland:

Loving God with Your Mind Paul Gould, Richard Brian Davis, 2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith In honor of Moreland s ministry general editors Paul M Gould and Richard Brian Davis have assembled a team of friends and colleagues to celebrate his work In three major parts devoted to philosophy apologetics and spiritual formation scholars such as Stewart Goetz Paul Copan Douglas Groothuis Scott Rae and Klaus Issler interact with Moreland s thought and make their own contributions to these important subjects Moreland concludes the volume with his own essay *Reflections on the Journey Ahead*

The Soul J. P. Moreland, 2014-02-14 In a culture in which science is believed to hold the answers to every question spiritual realities like the soul are often ignored or ridiculed We are told that neuroscience holds the key to explaining every aspect of human behavior Yet Christian philosopher J P Moreland argues that Scripture sound philosophical reasoning and everyday experience all point to the reality of an immaterial soul Countering the arguments of both naturalists and Christian scholars who embrace a material only view of humanity Moreland demonstrates why it is both biblical and reasonable to believe humans are essentially spiritual beings He also describes the various components of the soul and how Christians can nurture their souls as disciples of Christ Moreland shows that neuroscience and the soul are not competing explanations of human activity but that both coexist and influence one another

The Outrageous Idea of the Missional Professor, International Edition Paul M. Gould, 2019-06-05 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university

play an important role in that mission. Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ, an understanding of the significance of the university as a cultural shaping institution and mission field, and a desire for Christian wholeness in a fragmented world. This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way. Many professors already living missional lives need encouragement to excel still more. 1 Thess 4:10. We all need God's grace and mercy as we try to faithfully follow Christ within the university.
