proves only too accurate Yet the most puzzling aspect is who on earth managed to kill Sedbury The man was a hulking brute large very strong and known as a vicious brawler Who managed to subdue him enough to strangle him As the number of suspects steadily increases the investigators are forced to ask if perhaps one of their suspects hired a killer capable of taking Sedbury down With that possibility thrown into the calculations narrowing their suspect list becomes a futile exercise Their pursuit of the truth leads them to investigate the many shady avenues of Sedbury s life much to the consternation of Sedbury s father the Marquess of Rattenby Rattenby does not want Sedbury s distasteful proclivities exposed for all the world to see further harming the other family members who Sedbury has taken great delight in tormenting for most of his life In the end the resolution of the crime lies in old fashioned policing coupled with the fresh twists Barnaby and Penelope bring to Scotland Yard s efforts And when the truth is finally revealed it raises questions that strike to the very heart of justice and what with such a victim and such a murderer true justice actually means A historical novel of 62 500 words interweaving mystery and murder with a touch of romance [The Confounding Case of the Carisbrook Emeralds](#) Stephanie
