L.E. Waters,2024-08-22 The Spring I Turned Ugly is best described as a modern Steel Magnolias meets American Bridget Jones Diary meets The Devil Wears Prada However it s the complete opposite of The Summer I Turned Pretty since Kiera Starlow hits a snag in life when everything seems to fall apart the spring of her twenty third year After a shocking breakup with Bodhi whom she s known since she was fifteen Kiera s world seemed to halt and she did all she could to try to adapt to a much different plan without Bodhi However things only get worse when Bodhi reappears seemingly wanting her back four months later just as a humiliating pinnacle event at work occurs Kiera s pushed to go on a nine day free trip to France but the hitch is it s with five old ladies It s not the new job in New York City as difficult as that turns out to be or losing twenty pounds nor the trip to France that changes Kiera s life like she thought It s the wisdom of five older exuberant women that puts her back on track Sometimes life gives you ugly and sometimes it s when you feel the worst that the story truly begins
