Lost And Turned Out The Double Cross:

Deathly Deception Denis Smyth, 2011-08-25 In the pre dawn darkness of April 30 1943 a body disguised as a Royal Marine Major washed ashore on the coast of Spain carrying false documents indicating that the Allies were set to launch an attack on Greece rather than Sicily Immortalized in the film *The Man Who Never Was* Operation Mincemeat is renowned as the most spectacular episode in the annals of deception In this accurate and in depth retelling of the story Denis Smyth draws on a vast collection of previously unavailable documentary sources to provide many key details overlooked in other accounts of Mincemeat He reveals how the architects of the plan navigated a maze of medical technical and logistical issues to deceive the enemy at the highest strategic levels Before planting the corpse in the Spanish coastal waters via a stealthy submarine operation the planners not only gave their dead messenger a new military identity but also a private one as the fiance of an attractive young woman named Pam Nazi intelligence was fooled falling for a ruse which ultimately saved thousands of American lives [Lost Source](#) John Martin, 2012-12-11 Globalization is tearing at the fabric of American society Locked in a high stakes struggle and on the verge of a trade war the United States and China each want a piece of the action and both countries will do just about anything to ensure success But when a union boss is murdered while leading a strike against sending American jobs offshore everything begins to change especially for John Shay John a union leader at a stale point in his marriage and at work takes over the strike along with his chosen partner Hannah Stein a tough negotiator who loves to be on the line with strikers but who is also battling complicated personal demons Aided by Chinese activists and a Native American woman working in Asia to combat digital piracy the two partners soon realize the strike is just a piece on a much larger game board As Hannah and John stumble into a thicket of intrigue mounting unrest spills into the streets of China and the United States In this intense thriller two union leaders unwittingly snared in a geopolitical drama between two heavyweight nations are determined to fight for the American working class even if it means putting their own lives on the line **Deceptions and Doublecross** Morey Holzman, Joseph Nieforth, 2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup *Deceptions and Doublecross* begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder's iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup **The Ferguson Rifle (Louis L'Amour's Lost Treasures)** Louis L'Amour, 2020-05-26 The classic Western now newly repackaged as part of Bantam's Louis L'Amour's Lost Treasures program with never before seen material from Louis and his son Beau L'Amour It began with gold that had once belonged to Montezuma Stolen and cached in a church in Mexico it was recovered by two army officers who fled north for the French settlements Along the way one stabbed the other

to death The remaining officer was eventually killed by Plains Indians but he buried the treasure just before he died Now Ronan Chantry a handful of trappers and an Irish girl whose father was killed after telling her a few vague landmarks are searching for the lost treasure But they are not alone The girl s uncle Rafen Falvey wants it too Like Chantry he is well educated bold and determined Under different circumstances the two men might have been friends But in all likelihood it wouldn t have made any difference When it comes to gold even friendship doesn t keep men from killing each other Louis L Amour s Lost Treasures is a project created to release some of the author s more unconventional manuscripts from the family archives In Louis L Amour s Lost Treasures Volumes 1 Beau L Amour takes the reader on a guided tour through many of the finished and unfinished short stories novels and treatments that his father was never able to publish during his lifetime L Amour s never before seen first novel No Traveller Returns faithfully completed for this program is a voyage into danger and violence on the high seas These exciting publications will be followed by Louis L Amour s Lost Treasures Volume 2 Additionally many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material including outlines plot notes and alternate drafts These postscripts tell the story behind the stories that millions of readers have come to know and cherish **The Doublecross** malcolm spencer,2015-11-27 The story centres around a brother and sister who disappears in Belgium during WW1 Covering three generations will the mystery be solved
