Volume Two The book begins in late 1984 with the sixth tale in the series overall Culture Shock This story finds the young traveller myself taken from the relative orderliness of a life in London where he had been attempting with mixed results to pursue a career in travel related in the fifth story of the series A Career in Travel and throws him into the furious assault on the senses that constituted life in the Indian capital Delhi at that time The second story of this volume Just A Businessman is set in Indian administered Kashmir At nearly 17 000 words this account constitutes a lengthy short story which may need more than one sitting to read In addition to being a travel story Just A Businessman is also a story about religious and ethnic conflict and political upheavals and the extents to which these can affect the life of a traveller or an outsider Overlanding Part One is the third story in this volume and at over 46 000 words the longest story of the series so far for one of the shortest periods of actual travel Of all my travels in the 1980s in terms of time spent undoubtedly no journey made such a deep and lasting impression on me as this overland trip from Karachi to Rotterdam Not only did it unceremoniously blow away many of my own preconceived notions of life in Pakistan and Iran it was also a harsh lesson for me as a traveller in the virtues of being prepared for any journey into terra incognita Additionally the first part of the journey from Karachi to the Turkish border with Iran was relatively dangerous not due to involving difficult terrain but rather to man made hazards But overall the journey turned out to be something I originally had never suspected for a moment it would be an intensive course in the follies of racial prejudice and ethnic chauvinism Like all the other stories in the series these three stories provide not only entertaining reads but also information on all the places visited some relevant only to the era in which the story is set but most still relevant at the time of this book s publication
