Al-Hoorie,Fruzsina Szabó,2022-01-27 One of the most active areas in the field of second language acquisition language learning motivation is a burgeoning area of research Yet the plethora of new ideas and research directions can be confusing for newcomers to the discipline to navigate Offering concise bite size overviews of key contemporary research concepts and directions this book provides an invaluable guide to the contemporary state of the field Making the discussion of key topics accessible to a wider audience each chapter is written by a leading expert and reflects on cutting edge research issues From well established concepts such as engagement and learning goals to emerging ideas including contagion and plurilingualism this book provides easy to understand overviews and analysis of key contemporary themes Helping readers understand a field which can appear highly technical and overwhelming Researching Language Learning Motivation provides valuable insights perspectives and practical applications

*A Guide to the Pronunciation of Old French for Singers* Rebecca Harris-Warrick,1977

Motivation to Learn Multiple Languages in Japan Chika Takahashi,2022-11-22 This book provides rare insights into motivation among extremely successful learners of English and languages other than English LOTEs through the analysis of a

longitudinal study and the examination of the factors involved in becoming multilingual in a non multilingual environment Based on sixteen interview sessions conducted over the course of nine years while the learners progressed from high school to the world of work this book offers the story of how two learners persist in English LOTE learning The study illuminates the long term processes through which the interviewees develop ideal English LOTE selves in an environment where multilingualism is not emphasized and where both English and LOTE can still be described as foreign languages Educators and researchers will learn from this study which stretches our understanding of motivation beyond the recent theorizing of L2 motivation and contributes to the limited research in long term motivational trajectories and LOTE learning motivation which is particularly scarce in non European contexts The book will be of interest not only to readers in Japan but also to those in other contexts as it offers an example of successful learners who go beyond the pragmatic and instrumentalist view of language learning to hold a more holistic view thus revealing the factors which can sustain multiple language learning even in foreign language contexts *English-Medium Instruction Translanguaging Practices in Asia* Wenli Tsou, Will Baker, 2021-07-22 This book examines translanguaging pedagogy in Asia s English medium instruction EMI higher education It presents an overview of concepts and common issues and case studies from specific contexts in Asia The book first interrogates macro level English medium instruction policies and implementation from English as a lingua franca ELF perspectives Following this implications of English as a lingua franca on English medium instruction pedagogy will be explored with a theoretical framework of translanguaging pedagogy developed The book concludes with a discussion on translanguaging and how the concept contributes to English medium instruction in Asia Through the book the content focuses on the specificity of each Asian English medium instruction context from a translanguaging lens English medium instruction policies and translingual practices from China Japan Taiwan Thailand and Vietnam are explored and opportunities and challenges related to translanguaging pedagogy in Asian English medium instruction classrooms are examined
