From cookie dough and pizza binges to extreme plastic surgeries, Ron, Becky, Mike, and Max Morelli experienced the swinging pendulum of weight loss that so many Americans know all too well. But when Ron and Mike were accepted as contestants on *The Biggest Loser*, the Morellis' lives changed forever. Ron at 430 pounds and 18-year-old Mike at 388 pounds made it to the final four, losing a whopping 399 pounds combined. *Fat Family Fit Family* also tells the story of wife Becky and youngest son Max, the story not seen on TV but relatable to scores of American families: the story of what happens when two foodaholics meet, fall in love, get married, and raise almost inevitably foodaholic kids. Sharing the eye-opening perspective of each family member, *Fat Family Fit Family* chronicles the Morellis' amazing journey in dropping over 700 pounds together from the emotional and physical struggles of obesity to the triumph of their newfound healthy lifestyle. Obesity doesn't just happen in a vacuum; it starts in homes like the Morellis', and it can end there, too. *Fat Family Fit Family* is an ultimately inspiring story about the healing power of family.
