parties came late to the Bahamas Secondary education although limited to those who could afford it was the route to a better life for nonwhite Bahamians and led to mixed race and black persons studying in professional fields which ultimately brought about a rising political consciousness Training her lens on the nature of relationships among the various racial and social groups in the Bahamas Saunders tells the story of how discrimination persisted until at last squarely challenged by the majority of Bahamians *Boating* ,1996-01 **Federal Rules of Evidence Manual** Stephen A.
