more grounded perspective than before This is best exemplified by his encounter with Chef Bernard a terrorizing French chef who ran the Escoffier Room a famed restaurant on the grounds of the CIA It was considered a rite of passage for every chef that attended the CIA to receive a furious profanity laced scolding from Chef Bernard during the course of taking his class When Bourdain was scolded by Chef Bernard however he looked in Tony s eyes and saw perhaps that Tyrone and the Mario crew had done his work for him Due to his inability to put fear into Tony the chef came to be quite nice to him to be continued Quicklets Learn More Read Less
