**Knight's Cross Holders of the SS and German Police 1940-45** Michael D. Miller, 2016 The members of the SS and German Police who received the Third Reich's highest military award have received extensive coverage from the earliest years of World War II research however previous attempts at documenting all the Ritterkreuzträger Knight's Cross holders of the Waffen SS have been highly selective in the degree of coverage allocated to each recipient with much focus being granted to select luminaries and very little to those deemed more obscure or controversial These earlier works the best known of them authored by Waffen SS veterans have also largely reflected the political opinions of their authors rather than presenting the facts alone In this first volume intended as a handy reference for the use of historians and militaria collectors alike the author presents rare and useful biographical data derived primarily from SS personnel files and other contemporary documentation on 178 SS and Police recipients of the Ritterkreuz Lavishly illustrated it contains hundreds of diverse and often striking photographs of the recipients covered As noted military historian Hugh Page Taylor writes This fine reference that Mike Miller has now made available is a great relief one I know I share with others seriously objectively and without bias interested in the men of the Waffen SS and Police

**From the Realm of a Dying Sun** Douglas E. Nash, 2021-02-11 An excellent and thought provoking chronicle of the IV SS Panzerkorps in Hungary and Austria in the last months of World War II with maps Globe at War In the closing months of World War II with Budapest's fall on February 12 1945 and the breakout attempt by the IX SS Gebirgskorps having failed the only thing the IV SS Panzerkorps could do was fall back to a more defensible line and fortify the key city of Stuhlweissenburg Exhausted after three relief attempts in January 1945 and outnumbered by the ever increasing power of Marshal Tolbukhin's Third Ukrainian Front SS Obergruppenführer Gille's veterans dug in for a lengthy period of defensive warfare However Adolf Hitler had not forgotten about the Hungarian theater of operations nor the country's rich oilfields and was sending help To the detriment of the defense of Berlin SS Oberstgruppenführer Sepp Dietrich's legendary 6 Panzerarmee was on its way not to retake Budapest but to encircle and destroy Tolbukhin's forces and completely reverse the situation in southeastern Europe in Hitler's favor This overly ambitious offensive known as Frühlingserwachen Spring Awakening was soon bogged down in the face of resolute Soviet defenses aided by the springtime thaw Heralded as Nazi Germany's last great offensive of World War II it resulted in great losses to Hitler's last armored reserve in exchange for only minor gains Though it played a supporting role during the battle the IV SS Panzerkorps was soon caught up in its aftermath after the Red Army launched its Vienna Operation that nearly swept the armies of

Heeresgruppe S d from the battlefield Withdrawing into Austria Gille s battered corps attempted to bar the route into Germany while the Red Army bore down on Vienna Forced to endure relentless Soviet attacks as well as the caustic leadership of the 6 Armee commander General Hermann Balck the men of the IV SS Panzerkorps fought their way through Austria to reach the safety of the demarcation line where it finally surrendered to U S forces on May 9 1945 after nearly a year of relentless campaigning

The Defeat of the Damned Douglas E Nash,2023-10-15 Doug Nash addresses a crucial period of December 1944 This latest of his works which all stand on their own merits is the best read to date Marine Corps Gazette One of the most notorious yet least understood body of troops that fought for the Third Reich during World War II was the infamous *Sondereinheit Dirlewanger* or the *Dirlewanger Special Unit* Formed initially as a company sized formation in June 1940 from convicted poachers it served under the command of SS Obersturmf hrer Oskar Dirlewanger one of the most infamous criminals in military history First used to guard the Jewish ghetto in Lublin and support security operations carried out in occupied Poland by SS and Police forces the unit was soon transferred to Belarus to combat the increasingly active Soviet partisan movement After assisting in putting down the Warsaw Uprising during August September 1944 by November of that year it had been enlarged and retitled as the 2 SS Sturmbrigade Dirlewanger One month later it fought one of its most controversial actions near the town of Ipolysag Hungary now known by its Slovak name of ahy between 13 and 18 December 1944 As a result of its overly hasty and haphazard deployment lack of heavy armament and a confusing chain of command it was virtually destroyed by two Soviet mechanized corps Consequently the Wehrmacht leadership blamed Dirlewanger and the performance of his troops for the encirclement of the Hungarian capital of Budapest during late December 1944 that led to the annihilation of its garrison two months later The brigade s defeat at Ipolysag also led to its compulsory removal from the front lines by General der Panzertruppe Hermann Balck and its eventual shipment to a rest area where it would be completely rebuilt so thorough was its destruction Despite its lackluster performance the brigade was rebuilt once again and sent to East Prussia in February 1945 but never recovered from the thrashing it received at the hands of the 6th Guards Army in December

Meeting of Generals Tony Foster,2000-10-26 D Day Normandy 1944 Twenty thousand five hundred strong the 12th Waffen ss Hitler Youth Division marched into battle against Allied Forces They were the last cream of the German youth seventeen and eighteen year old lads trained and led by a cadre of battle hardened officers and NCOs who had survived four years of war in Europe and on the Russian front With only a year of training they were nevertheless ferocious fighters At one critical point in the battle the depleted 12th ss Division fought three Canadian and three British divisions to a standstill Eighty five days after the landings at the Battle of Falaise Gap less than five hundred of the 12th Divisions front line troops remained The rest were dead wounded or captured MEETING OF GENERALS is the study of a terrible war viewed from the two sides of a battlefield on which different moral and political ideologies struggled to prevail Parallel biographies trace Generals Meyers and Fosters careers their youth their ambitions their

sweethearts their sorrows and personal tragedies and show how each reflected the values of the nation that he served In the end both generals realize at Meyers War Crimes court martial that in war there are no winners or losers only victims

*Soldiers of the Waffen-SS* Marc Rikmenspoel,1999 Photos and documents **Himmler's SS** Robin Lumsden,2009-04-01 The real story of the SS unlike its popular mythology is so complex as to almost defy belief it is a tale of intrigue and nepotism of archaeology and Teutonism of art and symbolism Himmler s SS is a story of street fighters and convicted criminals becoming Ministers of State and police commanders the story of charitable works and mass extermination being administered from the same building the story of boy generals directing vast heterogeneous armies on devastating campaigns of conquest Here indeed fact is stranger than fiction Himmler s SS looks at the wide ranging effects that the SS had on the Police racial policies German history education the economy and public life as well as the uniforms and regalia which were carefully designed to set Himmler s men apart as the new elite in Third Reich society Fully illustrated this book is an authoritative history of the SS and as such will appeal to all with an interest in Hitler s Third Reich **Quiet Flows the Rhine** French L. MacLean,1996 **Knight's Cross Holders of the SS and German Police 1940-45. **The Axis Forces 12** Massimiliano Afiero,2019-12-18 In this issue we wanted to commemorate the 80th anniversary of both the German invasion of Poland and the Soviet invasion of Finland two events that marked the beginning of World War II In fact analyzing the contents of this new issue we initially find an article on the use of Totenkopf units in Poland in September 1939 a second article on the Soviet invasion of Finland Then we find the biography of Karl Heinz Boska by Peter Mooney the history of the Italian smoke generating units on the Baltic the use of the SS units during the battle of Kursk in July 1943 the first part of a long and detailed article on the biographies of the Kr ger brothers and finally an article dedicated to the Close Combat Clasp Cross & Cockade Journal ,1983 **AB Bookman's Weekly** ,1986 **Galicia Division** Michael O. Logusz,1997 This new book is a historical account of the 14th Waffen SS Galicia Division also known as the 1st Ukrainian Division of the Ukrainian National Army In 1943 1944 a determined group of young men and women in Galicia volunteered to serve in a combat division destined for eastern front combat Their goal to engage and destroy the Soviet hordes menacing their homeland and to counter Nazi Germany s subjugation of their country Although initially Galicia s Volunteers would serve in a German sponsored military formation in actuality the volunteers of the Galicia division wanted to engage all hostile ideologies both from the east and west in order to secure a free independent Ukraine The division s history is presented along with a human aspect of what the soldiers endured during the brutal battles on the eastern front

*National Union Catalog* ,1979 **Day Fighter Aces of the Luftwaffe** Jeremy Dixon,2023-12-30 The second of two

comprehensive directories of all the Luftwaffe's single seater fighter pilots who were awarded the Knight's Cross during the Second World War. The German fighter pilots of the Second World War are among the undoubted heroes of the conflict; their reputation for flying skill, single minded determination and solitary courage hasn't diminished or been clouded by controversy over the years. Their daring and commitment often displayed when towards the end of the war they were fighting against the odds matches that of any of the other air forces they fought against. This detailed highly illustrated reference book which covers the exploits of the most famous and successful individuals among them shows just how effective and undaunted they were. All the Luftwaffe day fighter pilots who flew single seater aircraft and won the Knight's Cross during the war are featured. The entries give information about their early lives and pre war careers and record how many aircraft they shot down, the type of aircraft involved and where and when the combat took place. Included are accounts of particular actions which led to the award of the Knight's Cross and the fate of these remarkable pilots later in the war and in the post war world is described too. Jeremy Dixon's book will be fascinating reading and reference for anyone who is interested in the aviation history of the Second World War. *Directions*, 1979
