Overcoming Degradation Through the Love and Brilliance of God Book One** Jerry Davis,2010-12 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us We ve all been programmed to unknowingly believe in a host of lies and it s our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Who s controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all

K. Acker,2013-11-14 Why does God allow evil Seeking the answer to this question is the reason we re here on earth explored here in this enlightening and insightful guide that includes our past present and possible future It is written that evil began when the angels of God fell for the beautiful daughters of men forgetting about the world of spirit We are each a fallen angel a soul and cell in the body collective of the One in Whom we Live Move and have our Being Some call this God the Universe the All or Force but there is a dark side of this almighty force surrounding us and dwelling within us Evil has a purpose from which mere religion can t save us but Spirituality can The hero s journey of the soul the child of god is an inner journey of the spirit with test and trials as we work to gain our wings of light and power Our path toward enlightenment is dark and

seductive We get lost stumble and fall But the truth is light needs darkness to shine upon and heroes need villains to have a story worth telling This book is a guiding light on our spiritual journey through the dark nights of the soul "Knowledge of good and evil" Garland Scott Pass,1986 *Challenging Knowledge in RE.: Studying good and evil* ,2021
