The Donut Steve Penfold,2008-01-12 In Canada the donut is often thought of as the unofficial national food Donuts are sold at every intersection and rest stop celebrated in song and story as symbols of Canadian identity and one chain in particular Tim Horton s has become a veritable icon with over 2500 shops across the country But there is more to the donut than these and other expressions of snackfood patriotism would suggest In this study

Steve Penfold puts the humble donut in its historical context examining how one deep fried confectionary became not only a mass commodity but an edible symbol of Canadianness Penfold examines the history of the donut in light of broader social economic and cultural issues and uses the donut as a window onto key developments in twentieth century Canada such as the growth of a consumer society the relationship between big business and community and the ironic qualities of Canadian national identity He goes on to explore the social and political conditions that facilitated the rapid rise and steady growth of donut shops across the country Based on a wide range of sources from commercial and government reports to personal interviews *The Donut* is a comprehensive and fascinating look at one of Canada's most popular products It offers original insights on consumer culture mass consumption and the dynamics of Canadian history **Tea and Coffee Journal** ,1928

Dexter and Philosophy Richard Greene, George A. Reisch, Rachel Robison, 2011-04-12 What explains the huge popular following for *Dexter* currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although *Dexter Morgan* kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry's Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In *Dexter and Philosophy* an elite team of philosophers don their rubber gloves and put *Dexter's* deeds under the microscope Since *Dexter* is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does *Dexter* fit the profile of the familiar fictional type of the superhero What part does luck play in making *Dexter* who he is How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is *Dexter's* emotional coldness to his lust for slicing people up Are *Dexter's* lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does *Dexter* long to be a normal human being and why can't he accomplish this apparently simple goal *The Street Railway Journal* ,1940
