Linterna Magica Maxi:

Historia del humor gráfico en Venezuela Ildemaro Torres, 2003 Venezuela es un país con una larga tradición humorística y el humor forma parte de la idiosincrasia del país. En esta obra se recoge el panorama del humor gráfico en Venezuela y permite conocer la historia social y política del país a través de la mirada de los humoristas. 1900: Segunda parte. El cinematógrafo y los teatros Juan Felipe Leal, 2009-12-01 Este libro que publica Juan Felipe Leal con la colaboración de Eduardo Barraza trata de la incursión del cinematógrafo en los viejos teatros y en los modernos y suntuosos coliseos que se construyeron en el país a finales del siglo diecinueve. También se ocupa de la vida dramática y literaria en la Ciudad de México en la primera década del siglo veinte en páginas que nos recuerdan la importancia social que tenían las funciones de teatro, ballet, ópera y zarzuela con sus correspondientes elencos de autores, compositores y escenógrafos, de empresarios, de divas y divos de intrigas y entretelones de cronistas y críticos de aficionados y públicos. Cuando el cine se convirtió en espectáculo requirió de espacios para su exhibición. Al principio se instaló en locales comerciales acondicionados al propósito en azoteas, en carpas y jacalones que ofrecían entre la actuación de cantantes o bailarines, prestidigitadores, excéntricos o transformistas, la proyección de películas, pero al poco tiempo irrumpió también en los teatros mostrando en ellos sus sorprendentes vistas de movimiento. Durante muchos años las novedosas vistas animadas convivieron con otras diversiones públicas, maravillaron a la concurrencia y gradualmente se apoderaron de lo que hasta entonces habían sido ámbitos exclusivos de otros espectáculos. Como era de esperar, dicha coexistencia fue todo menos pacífica. Abundaron las rivalidades entre los empresarios de cinematógrafo y las compañías teatrales por la ocupación de las salas; se multiplicaron las exigencias de una reglamentación específica para el cine; surgieron asociaciones gremiales de autores literarios y dramáticos que pugnarón por que no se alquilaran los coliseos municipales a los exhibidores de películas; se produjo el alineamiento de las agencias artísticas con sus influyentes columnas periodísticas del lado del teatro y en contra del cine. Este libro incluye un directorio de teatros y sus administradores, fechado en 1898, un cuadro que contiene noticias varias de algunos de los teatros que albergaron al cinematógrafo entre 1895, 1908 y más de 180 ilustraciones, documentos todos de gran utilidad para los investigadores del tema. Los elementos presentes en este volumen de los Anales, la estructura que los organiza y su amena redacción nos introducen de lleno en el mundo de los espectáculos de la época y en las mentalidades de las clientelas del teatro y del cine.
