schools p 1 1 **Voices of the Self** Keith Gilyard, 1991-07-01 A unique blend of memoir and scholarship Keith Gilyard s

Voices of the Self is a penetrating analysis of the linguistic and cultural collision experienced by African American students in the public education system Gilyard examines black students negotiate their way through school and discusses the tension

between the use of Black English and Standard English underlining how that tension is representative of the deeper conflict

that exists between black culture and white expectations Vivid descriptions often humorous sometimes disturbing always

moving of Gilyard s own childhood experiences in school and society are interlaced with chapters of solid sociolinguistic

scholarship Encompassing the perspectives of both the street and the academy *Voices of the Self* presents an eloquent argument for cultural and linguistic pluralism in American public schools
