Ruin Me Tabatha Kiss, 2016-02-26 She's an uptight bitch but that just turns me on KAI Sex It's all I think about It has been ever since that bet my friend Shawn and I made a few years back If I can sleep with every female in our graduating class at Belle Academy before we go off to college victory will be mine It's a tiny elite private school That's 23 ladies and every last one of them thinks I'm a god Except her When my mother got married during my junior year things got a little complicated It made Piper Lynch my stepsister The Ice Princess herself It was already a challenge getting under her thick skin but now She may as well have installed a chastity belt One week I have one week to seal the deal with her or Shawn wins She thinks she's gotten rid of me by leaving the country but I have other plans This trip to Europe is exactly what I need to get my edge back and the perfect chance to get real close to Piper PIPER Sex It's all I think about Man woman Sweet rough You name it I've probably tried it There's not a lot I'm not down for and not a lot of people I'd say no to Except him I've noticed Kai Casablancas pathetic attempts at flirting with me I'm not stupid He's been laying it on real strong lately and I've reached the end of my patience with him You'd think my father marrying his mother would be enough to get him to back off but he's pursued me like a sick puppy for years My friend Mandy and I are going to Europe for a week One last hurrah before college begins A chance to experience the world beyond the prude and restrictive halls of Belle Academy This trip to Europe is exactly what I need to finally let loose and get far away from Kai *Ruin Me* is a stand alone bad boy romance novel with an HEA ending It contains adult language steamy encounters and is intended for mature readers only *Stepbrother, Mine #1* Opal Carew, 2015-07-28 From New York Times bestselling author Opal Carew comes an erotic new serial about the lengths to which one woman will go to live the life of her dreams Dana's always had a clear vision of what she wanted out of life But when her father dies during her final year of college Dana's whole world threatens to topple down In desperate need of money she comes up with an idea It's scandalous It's HOT And it's got everybody talking Is Dana really going to auction off her own virginity And at what cost **My Stepbrother Bundle 1** Candi Lace, 2015-05-22 This 3 in 1 short story collection contains the following Saved by my Stepbrother Eighteen year old Milly has always wanted to be someone she's not prettier skinnier more popular When shortly after Graduation members of the in crowd invite her to a barbecue at the local beach she feels she'll finally be accepted Only things don't turn out that way and it was all a big humiliating joke Just when things seem hopeless her protector the boy she grew up with turns up and saves her from the bullies He reassures her she's not as ugly and unwanted as they made her feel in ways she could have never imagined When he makes her his without protection in his truck she realises that her very first time is going to be the beginning of a whole new era In my Stepbrother's Bed When I woke up in the wrong bedroom in my house the morning after a rather wild and booze filled Graduation party I had many questions I didn't yet know the answer to How did I end up in the room that belongs to the boy I grew up with Why was I naked And finally whose arm was draped across my chest Had I finally lost my V card As I tried my best to remember things slowly started to get back to me The party had been a success at first but then things had gone downhill First I realised that

not every guy who sweet talks you in private has the guts to admit liking the fat chick in class in front of their stupid friends Right after I witnessed my best friend finally making a move on the one guy I actually had a thing for even though I did grow up with him In short it was all a disaster Or was it My Stepbrother Surprise When Jenny s best friend Sally convinced her to join her at a beach party to celebrate their High School Graduation she didn t expect things to get as crazy as they did She never thought she d muster the courage to enter the infamous Kissing Shack where random strangers make out in the dark especially since she d never been kissed before By the time she left the shack she definitely didn t expect to come face to face with the one person in the world she shouldn t have been kissing passionately inside that room the boy she grew up with Darren Feeling humiliated and confused there was only one thing left to do run But Darren had other ideas leading to yet another first experience for Jenny hard and without protection These stories are intended for an adult audience only

Taken by My Bad Boy Stepbrother Cindy Wilder,2017 I had just started my senior year and was counting down the days until I turned eighteen Graduation would follow shortly after I couldn t wait to get away from my mom and her sleazy ways She couldn t stay with a man for more than a few months We moved from place to place and it drove me crazy The only thing she taught me was how to furnish an apartment for almost nothing I only asked one thing of her Don t date anyone associated with my school I usually kept to myself in school There was no reason to make friends I liked to spend my time in my room on my computer or at the park taking pictures Pity wasn t something I wanted from the people around me I didn t have what most kids in school had It was easier to move when you only had a few boxes to pack There was a message on my computer when I got home from school one day It was from a guy who had seen me on a photography post We were both seniors but knew nothing about each other or where we lived I agreed to let him call me if we were still talking on my birthday There was no way that was going to happen There was a guy in one of my classes that was a total jerk He didn t care what anyone thought about him His name was Ethan He was definitely nice to look at with his whole bad boy attitude but the bad outweighed the good I couldn t believe he was in my advanced class Not everyone was as they seemed though Everything was quiet until I opened my big mouth and pissed him off It was definitely the biggest mistake I had made in a long time

home I had loved so much I couldn't wait to see Rosie. She was the housekeeper and the one who raised me until the divorce. It seemed as if she was the only one who ever cared. When the door swung open I couldn't believe my eyes. In front of me stood the cutest boy I had ever seen in my life. He had dark brown hair, blue eyes, muscles, and was so tall I was speechless. My body wasn't moving. I wasn't sure what to do or say. You must be Princess Carrie, the amazingly hot guy said. And you would be who I asked nervously. I'm your stepbrother Kyle, he said. That was the beginning of the summer I would never forget. It all started when I found out he had taken over my room. I knew he was going to be a pain in my side. With each day that passed, things began to change. As the day for him to leave for the military approached, I found myself wondering what I was going to do without him. Kiss that Cowboy!
