Knight Book Of Things To Make And Do:

Things to Make and Do Leslie Marshall,1979-10-01 *A Knight's Own Book of Chivalry* Geoffroi de Charny,2013-03-01

On the great influence of a valiant lord The companions who see that good warriors are honored by the great lords for their prowess become more determined to attain this level of prowess On the lady who sees her knight honored All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man at arms On the worthiest amusements The best pastime of all is to be often in good company far from unworthy men and from unworthy activities from which no good can come Enter the real world of knights and their code of ethics and behavior Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling fighting appearing in court and engaging fellow knights Composed at the height of the Hundred Years War by Geoffroi de Charny one of the most respected knights of his age *A Knight's Own Book of Chivalry* was designed as a guide for members of the Company of the Star an order created by Jean II of France in 1352 to rival the English Order of the Garter This is the most authentic and complete manual on the day to day life of the knight that has survived the centuries and this edition contains a specially commissioned introduction from historian Richard W Kaeuper that gives the history of both the book and its author who among his other achievements was the original owner of the Shroud of Turin

The Book of the Knight Zifar Charles L. Nelson,2021-12-14 The *Book of the Knight Zifar* or *Cifar* Spain's first novel of chivalry is the tale of a virtuous but unfortunate knight who has fallen from grace and must seek redemption through suffering and good deeds Because of a curse that repeatedly deprives him of that most important of knightly accoutrements his horse Zifar and his family must flee their native India and wander through distant lands seeking to regain their rank and fortune A series of mishaps divides the family and the novel follows their separate adventures alternatively heroic comic and miraculous until at length they are reunited and their honor restored The anonymous author of *Zifar* based his early fourteenth century novel on the medieval story of the life of St Eustacius but onto this trunk he grafted a surprising variety of narrative types Oriental tales of romance and magic biblical stories moralizing fables popular since the Middle Ages including several from Aesop and instructions in the rules of proper knightly conduct Humor in the form of puns jokes and old proverbs also runs through the novel In particular the foolish wise Knave offers a comic contrast to the heroic Knight whom he must continually rescue through the application of common sense *Zifar* was to have an important influence on later Spanish literature and perhaps on Cervantes great tale of a knight and his squire *Don Quixote* All those with an interest in Spanish literature and medieval life will be grateful for Mr Nelson's excellent translation which brings to life this extraordinary early novel
