They've traveled the tough roads of life to discover the peace and power that comes from grabbing the hand of God and trusting his plan. The life stories they share bring laughter and sometimes tears but always spiritual growth. Each of the 12 week sections concludes with a Bible study guide and journal page inviting you to lock arms with Sharon Mary and Gwen and share with other women in a small group setting or to use individually in your own quiet time.

Prayers of Faith Faith Annette Sand, 1996 A powerful prayer life is available to everyone, claims author, mother of ten, eight adopted children. At age 24, I suddenly found myself deep in the jungles of Brazil, the mother of eight children whose ages ranged from not quite two up to nine. But the really hard part was being married to an abusive, unfaithful missionary husband, explains Ms. Sand when describing what made her turn to prayer. None of my academic training or experience in the church prepared me to face the rigors of jungle living under these adverse circumstances. We had no electricity for eleven of the 15 years I lived in Brazil, raising my family. The missionary community was either in denial about what was happening or implied that I deserved the abuse. Discovering that God was willing to answer prayers began Ms. Sand on a wonderful odyssey of learning to trust God for the smallest details of her life in bringing up her family. In her book *Prayers of Faith: On Learning to Trust God*, she points out the basic principles of prayer that anyone can use to develop a bold relationship with the Creator of the Universe.

The United States Catalog, 1924 *The Last Lieutenant* John C. Shively, 2006-03-20 Shively has documented in a very readable fashion the transformation of a young Hoosier into a disciplined member of the United States Marine Corps. His book is a detailed and touching tale of one man's experience of the battle of Iwo Jima, and the many excellent photographs and maps enhance the story. Major General Fred Haynes USMC Ret. The 36-day assault on the small volcanic island known as Iwo Jima resulted in more than 26,000 American casualties, including 6,800 dead. Of the 20,000 Japanese defenders, only 1,083 survived. The Marines' efforts secured what would become a vital emergency landing strip for crippled B-29s returning from bombing runs. Twenty-seven Medals of Honor were awarded to Marines and sailors, many posthumously, more than were awarded for any other single operation during the war. Jim Craig was a platoon commander with the Marines on Iwo Jima. This book presents his story as told to his nephew, John C. Shively. A particularly vivid and exciting account of some of the most intense fighting of the Pacific War, the immediacy of the story is heightened by the detail that Shively's research has added to Craig's recollections. The result is one of the most realistic depictions of combat ever written.
