Links Lore And Legends The Story Of Texas Golf:

Links, Lore, & Legends Art Stricklin, 2005-08-26 Byron Nelson Ben Hogan Lee Trevino Dave Marr Ben Crenshaw Lanny Wadkins Sandra Haynie Rick Beem names known to golfers everywhere populate Texas golf history This book chronicles the development of golf in Texas decade by decade focusing on highlighted events players pros teachers courses and tournaments It includes 10 Historic Events You Don t Know About *Links to the Past* Dan K. Utley, Stanley O. Graves, 2018-08-30 As they tee up make their approach shots or line up their putts few Texan golfers likely realize that the familiar landscapes of tee boxes fairways and greens can obscure stories from the past that played out on those same grounds Such little known links to the past include prehistoric campsites a Spanish presidio and a prairie where the Rough Riders trained as well as courses constructed by New Deal agencies in the Great Depression or military personnel in times of war *Links to the Past The Hidden History on Texas Golf Courses* takes readers on a tour of eighteen Texas golf courses with surprising connections to history On the front nine points of interest include encounters with dinosaur fossils near Austin a Comanche raid on a Spanish frontier presidio near Menard and a battle between Anglo buffalo hunters and Native Americans near Lubbock The back nine explores reminders of the East Texas lumber industry near Diboll a training ground for the Rough Riders outside downtown San Antonio and a race riot near Houston in 1917 to name a few In addition Dan K Utley with Stanley O Graves provide full histories of the courses themselves detailing their design and evolution and explaining how they came to be constructed at these historically significant sites Fun compelling and enlightening this book is a reminder that history has occurred all around us not just in historic districts state parks or even where official state markers might be found Featuring scorecards for each course that include location historical facts and a signature hole of history as well as historical and contemporary photographs and informative sidebars *Links to the Past* is sure to entertain Golfers history buffs and heritage tourists will want to toss this handy and engaging book in the front seat of the car or zip it into the side pocket of their golf bags Historical Dictionary of Golf Bill Mallon, Randon Jerris, 2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled Traditional teaching holds that golf originated in Scotland around the 15th century However there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century Over the many centuries of golf s evolution the balls used have changed greatly as have the clubs the holes the courses and the entire game itself The *Historical Dictionary of Golf* presents a comprehensive history of the game through a chronology an introductory essay a bibliography photos and over 300 cross referenced dictionary entries on places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika Sorenstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included **Ralph Guldahl** Kevin Kenny, 2016-06-21 Set against the

background of the Great Depression this book presents the life of Ralph Guldahl who for a brief period in the 1930s was widely recognized as the best golfer in the world From 1936 to 1940 he won two successive U S Opens one Masters title and three successive Western Opens held the best scoring average award and was a Ryder Cup player with a 100 percent record After this memorable run he lost his game and almost disappeared from view This biography is the first to trace the rise and decline of his career and answer the question What happened to Ralph Guldahl *Game of Privilege* Lane

Demas,2017-09-11 This groundbreaking history of African Americans and golf explores the role of race class and public space in golf course development the stories of individual black golfers during the age of segregation the legal battle to integrate public golf courses and the little known history of the United Golfers Association UGA a black golf tour that operated from 1925 to 1975 Lane Demas charts how African Americans nationwide organized social campaigns filed lawsuits and went to jail in order to desegregate courses he also provides dramatic stories of golfers who boldly confronted wider segregation more broadly in their local communities As national civil rights organizations debated golf s symbolism and whether or not to pursue the game s integration black players and caddies took matters into their own hands and helped shape its subculture while UGA participants forged one of the most durable black sporting organizations in American history as they fought to join the white Professional Golfers Association PGA From George F Grant s invention of the golf tee in 1899 to the dominance of superstar Tiger Woods in the 1990s this revelatory and comprehensive work challenges stereotypes and indeed the fundamental story of race and golf in American culture *Pleasant Bend* Dan Worrall,2016 Today s Greater Houston is a

vast urban place In the mid nineteenth century however Houston was a small town a dot in a vast frontier Extant written histories of Houston largely confine themselves to the small area within the city limits of the day leaving nearly forgotten the history of large rural areas that later fell beneath the city s late twentieth century urban sprawl One such area is that of upper Buffalo Bayou extending westward from downtown Houston to Katy European settlement here began at Piney Point in 1824 over a decade before Houston was founded Ox wagons full of cotton traveled across a seemingly endless tallgrass prairie from the Brazos River east to Harrisburg and later to Houston along the San Felipe Trail built in 1830 Also here Texan families fled eastward during the Runaway Scrape of 1836 immigrant German settlers trekked westward to new farms along the north bank of the bayou in the 1840s and newly freed African American families walked east toward Houston from Brazos plantations after Emancipation Pioneer settlers operated farms ranches and sawmills Near present day Shepherd Drive Reconstruction era cowboys assembled herds of longhorns and headed north along a southeastern branch of the Chisholm Trail Little physical evidence remains today of this former frontier world *Doggy people* Michael

Worboys,2023-02-21 We know that there were dogs in Victorian Britain but who were the Doggy People who kept them bred them showed them worked with them and cared for them Chapter by chapter this book reveals the varied and often eccentric lives of the Victorians who helped define dogs as we know them today The cast runs from the very pinnacle of society Queen

Victoria to near the bottom with Jemmy Shaw a publican boxer promoter of dog fights and rat killing The others include an artist aristocrats authors a clergyman doctors a dog dealer a feminist journalists landowners millionaires philanthropists politicians scientists a stockbroker veterinarians and a showman none other their Charles Cruft Looking at the invention and meaning of new breeds such as poodles collies Jack Russells and borzois amongst others we see how the Victorians thought about pets sports dog shows and animal rights

Joyce in the Belly of the Big Truck; Workbook Joyce A. Cascio,2005-05

Hole in One! Chris Rodell,2012-12-11 The golfer lines up the shot It s a long one and the chances of acing it are nil He says a prayer swings and hallelujah he scores a hole in one Many golfers confess to murmuring earnest prayers that they too may join the 42 000 people a year who catch lightning in a bottle and score a hole in one It s an excitement that many lucky golfers say they remember with more clarity than their first kiss That s because nothing in the grand old game is as mysterious yet mundane as the ace Scott Hoch has had 26 fellow pro Fred Couples just two Blind men and women have hit them as have first time golfers three year old toddlers and hundred year old widows Richard Nixon is the only president to have scored one and he said it was a greater thrill than winning an election Filled with fun facts and anecdotes Hole in One is a comprehensive clearinghouse of unusual stories involving the aura and accomplishment of scoring an ace Readers will find out how duffers call upon unusual good luck charms and customs from foreign countries to ensure their swinging success Hole in One is the perfect book for all golfers who love the game whether they re accomplished players or rank amateurs

A History of American Sports in 100 Objects Cait Murphy,2016-10-11 Beautifully designed and carefully curated a fascinating collection of the things that shaped the way we live and play in America What artifact best captures the spirit of American sports The bat Babe Ruth used to hit his allegedly called shot or the ball on which Pete Rose wrote I m sorry I bet on baseball Could it be Lance Armstrong s red white and blue bike now tarnished by doping and hubris Or perhaps its ancestor the nineteenth century safety bicycle that opened an avenue of previously unknown freedom to women The jerseys of rivals Larry Bird and Magic Johnson Or the handball that Abraham Lincoln threw against a wall as he waited for news of his presidential nomination From nearly forgotten heroes like Tad Lucas rodeo and Tommy Kono weightlifting to celebrities like Amelia Earhart Muhammad Ali and Michael Phelps Cait Murphy tells the stories of the people events and things that have forged the epic of American sports in both its splendor and its squalor Stories of heroism and triumph rub up against tales of discrimination and cheating These objects tell much more than just stories about great games they tell the story of the nation Eye opening and exuberant A History of American Sports in 100 Objects shows how the games Americans play are woven into the gloriously infuriating fabric of America itself

or line up their putts few Texan golfers likely realize that the familiar landscapes of tee boxes fairways and greens can obscure stories from the past that played out on those same grounds Such little known links to the past include prehistoric campsites a Spanish presidio and a prairie where the Rough Riders trained as well as courses constructed by New Deal agencies in the Great Depression or military personnel in times of war Links to the Past The Hidden History on Texas Golf Courses takes readers on a tour of eighteen Texas golf courses with surprising connections to history On the front nine points of interest include encounters with dinosaur fossils near Austin a Comanche raid on a Spanish frontier presidio near Menard and a battle between Anglo buffalo hunters and Native Americans near Lubbock The back nine explores reminders of the East Texas lumber industry near Diboll a training ground for the Rough Riders outside downtown San Antonio and a race riot near Houston in 1917 to name a few In addition Dan K Utey with Stanley O Graves provide full histories of the courses themselves detailing their design and evolution and explaining how they came to be constructed at these historically significant sites Fun compelling and enlightening this book is a reminder that history has occurred all around us not just in historic districts state parks or even where official state markers might be found Featuring scorecards for each course that include location historical facts and a signature hole of history as well as historical and contemporary photographs and informative sidebars Links to the Past is sure to entertain Golfers history buffs and heritage tourists will want to toss this handy and engaging book in the front seat of the car or zip it into the side pocket of their golf bags **Texas Golf Legends**

Paul Milosevich, Curt Sampson, 1993 **Texas Golf Legends** Curt Sampson, 1993-01 Ben Hogan Byron Nelson Ben Crenshaw Judy Rankin Tom Kite Fred Cobb Harvey Penick Babe Zaharias Lee Trevino the list of Texas golf legends reads like the leader board of an imaginary 20th Century Golf Greats Invitational The Lone Star State has spawned more than its share of golf heroes and fifty of the best are featured in this collection of portraits and interviews Milosevich deftly illustrates each golfer with compelling head and shoulder portraits and action views Sampson's brief vignettes of the golfers capture the dramatic incidents and illuminating details that help make each person a legend on and off the links **BEN CRENSHAW** Nineteen eighty six Buick Open thirteenth hole final round Again Crenshaw is fighting to hold a one shot lead but he hits a wild four iron second shot on this par five that stops against the trunk of a tree He has no shot or does he My only shot was with a nine iron upside down left handed says Crenshaw He hits the damnedest pressure shot anyone has ever seen from forty yards and between trees Crenshaw's left handed hack stops four feet from the hole He makes the birdie putt of course and wins the tournament **LEE TREVINO** On the first tee a laughing Trevino held up a rubber snake he kept in his golf bag The gallery laughed too feeling the same release from the drama and tension of the moment that Trevino did Nicklaus sat quietly at the back of the tee on a spectator's chair while his mugging opponent dangled the toy reptile at the end of the club Nicklaus joined in the merriment he asked to see the fake snake then flung it back to Trevino but his smile seemed forced Trevino won the playoff with Nicklaus sixty eight to seventy one for his second US Open title Three weeks later he won the

Canadian Open and the week after that the British Open TOM KITE What would Kite hit Surely he would play away from the water with a two or three iron Perhaps he would gamble and hit a three wood He looked at his caddy Mike Carrick What do you think about a driver he said The color drained from Carrick s face Wind billowed the legs of Kite s grey pants as he got set to hit It s a driver whispered the television announcer He nailed it Best swing I made all day said Kite to no one in particular as he walked off the tee HARVEY PENICK Dave Marr calls him one of God s people He is indeed a gentle man this patriarch of Texas golf but he is also humorous and sly I d like you to meet Mr Ammanex Penick says as a confused looking member introduces himself as Roane Puett Ammanex Well whenever I see you you say Am I next explains Penick HOW ARE YOU TODAY MR PENICK asks another member loudly compensating for the old gentleman s hearing loss I m Mister Penick s son Harvey he deadpans not answering the question BABE ZAHARIAS I remember playing in one of those first tournaments with Babe and I was nervous recalls Marilyn Smith So Babe put her arm around me on the first tee and said in a loud voice I always like playing golf with you Smitty You really bring out the crowds The gallery laughed of course They were there to see the Babe But the humor relieved Smith s tension and made her a Zaharias fan for life When he s not out on the golf course trying to improve his five handicap Paul Milosevich is in front of an easel sketching drawing or painting A thirty year retrospective of his work Out of the Ordinary was published in 1991 by Texas Tech University Press Curt Sampson was broke and disgusted at the end of a four year stint as a club and touring pro So he traded in the trials and tribulations of a golf pro for the woes of a writer thankful that he can stay close to the game he loves He is a frequent contributor to national golf magazines and the author of The Eternal Summer Each collector s edition is prefaced with signature pages bearing original ink signatures of more than two dozen Legends of Texas: Lost mines and buried treasure Ann Dobie,1992 Gathers legends that relate the life lore and history of Texas including legends of lost mines and buried treasure
