The Most Rev Michael B. Curry, Presiding Bishop of the Episcopal Church. **Listening Hearts**, 1993. **Discerning Call in Community** Suzanne G. Farnham, Joseph P. Gill, R. Taylor McLean, Susan M. Ward, 2011. This 20th anniversary edition introduces the unique approach of Listening Hearts to the spiritual practice of discernment for a new generation. Written to make the often elusive and usually clergy centered spiritual practice of discernment accessible to all people, Listening Hearts features simple reflections and exercises drawn from scripture and from Quaker and Ignatian traditions. The seminal work in the Listening Hearts Series, this book has been a beloved resource for tens of thousands of individual readers, retreat participants, small groups, and church leaders listening for and responding to God's call in their lives. Grounded in God Suzanne G. Farnham, Stephanie A. Hull, R. Taylor McLean, 1999-08-01. A powerful, prayerful, and practical guide teaches groups a whole new way of conducting meetings and reaching consensus. Whether your group, committee, or board is secular or religious, its members can now move beyond parliamentary procedure to a higher level using the model described here. Rooted in scripture, Grounded in God energizes and inspires. Learn how to incorporate creative silence, imagination, intuition, attentive listening, scripture, and prayer into routine meetings, decision making, or working retreats. By opening up to new perspectives, discover that the first order of business is to become attuned to God's presence within those assembled. As members of the group become receptive to alternative viewpoints, they are opened to tap into the flow of divine wisdom and align with the will and mind of God. The results can be both spiritual and practical as they are put into action. The Purposeful Graduate Tim Clydesdale, 2015-05-06. We all know that higher education has changed dramatically over the past two decades. Historically, a time of exploration and self-discovery, the college years have been narrowed toward an increasingly singular goal: career training. And college students these days forgo the big questions about who they are and how they can change the world and instead focus single-mindedly on their economic survival. In The Purposeful Graduate, Tim Clydesdale elucidates just what a tremendous loss this is for our youth, our universities, and our future as a society. At the same time, he shows that it doesn't have to be this way. Higher education can retain its higher cultural role and students with a true sense of purpose of personal

cultural and intellectual value that cannot be measured by a wage can be streaming out of every one of its institutions The key he argues is simple direct systematic and creative programs that engage undergraduates on the question of purpose Backing up his argument with rich data from a Lilly Endowment grant that funded such programs on eighty eight different campuses he shows that thoughtful engagement of the notion of vocational calling by students faculty and staff can bring rich rewards for all those involved greater intellectual development more robust community involvement and a more proactive approach to lifelong goals Nearly every institution he examines from internationally acclaimed research universities to small liberal arts colleges is a success story each designing and implementing its own program that provides students with deep resources that help them to launch flourishing lives Flying in the face of the pessimistic forecast of higher education s emaciated future Clydesdale offers a profoundly rich alternative one that can be achieved if we simply muster the courage to talk with students about who they are and what they are meant to do Growing Souls Mark Yaconelli,2009-07-13 The Youth Ministry and Spirituality Project was formed in 1997 to participate in the renewal of youth ministry in the Christian church Its mission is to foster Christian communities that are attentive to God s presence discerning of the Spirit and who accompany young people into the way of Jesus Our mission is founded on the biblical vision of the human person who is created in the image and likeness of God and whose deepest longing is for communion with God and others in love In response to Christ s invitation to abide in him John 15 4 we believe that the central purpose of youth ministry is to open the minds and hearts of young persons to an intimate relationship with God in Christ through the indwelling power of the Holy Spirit We seek to fulfill our mission through retreats workshops training events written materials and relationships that promote a contemplative approach to youth discipleship The contemplative approach to youth ministry is based on a Christian community s commitment to cultivate attentiveness to God s Presence in the lives of young people and is supported in the following seven ways SABBATH PRAYER COVENANT COMMUNITY ACCOMPANIMENT DISCERNMENT HOSPITALITY AUTHENTIC ACTION **Being Church in a Liminal Time** Jeffrey D. Jones,David Fredrickson,2023-07-10 Congregations today exist in an in between or liminal time The customary answers about what it means to be and do church and strategies for renewal based on those answers no longer work But there is no certainty about the new answers It is a time of searching of letting go of the old and experimenting with the new This means facing the reality of death which may come as institutions die or as established ways are abandoned This book addresses this reality while maintaining a constant focus on the Christian promise of resurrection It offers three images that recognize the differing contexts of congregations and help them shape their future as they seek to discern God s work in their midst Congregations shaped by each of the three images remembering letting go and resurrecting have the potential to faithfully engage in God s work in their setting For each of the three there are suggestions for helping a congregation move toward an even more faithful expression of the image The book includes Bible studies and other resources that congregations will find helpful in this process Some
