Harry Potter , **Rogue Archives** Abigail De Kosnik, 2021-12-14 An examination of how nonprofessional archivists especially media fans practice cultural preservation on the Internet and how digital cultural memory differs radically from print era archiving The task of archiving was once entrusted only to museums libraries and other institutions that acted as repositories of culture in material form But with the rise of digital networked media a multitude of self designated archivists fans pirates hackers have become practitioners of cultural preservation on the Internet These nonprofessional archivists have democratized cultural memory building freely accessible online archives of whatever content they consider suitable for digital preservation In *Rogue Archives* Abigail De Kosnik examines the practice of archiving in the transition from print to digital media looking in particular at Internet fan fiction archives De Kosnik explains that media users today regard all of mass culture as an archive from which they can redeploy content for their own creations Hence remix culture and fan fiction are core genres of digital cultural production De Kosnik explores among other things the anticanonical archiving styles of Internet preservationists the volunteer labor of online archiving how fan archives serve women and queer users as cultural resources archivists efforts to attract racially and sexually diverse content and how digital archives adhere to the logics of performance more than the logics of print She also considers the similarities and differences among free culture free software and fan communities and uses digital humanities tools to quantify and visualize the size user base and rate of growth of several online fan archives

**Loving Fanfiction** Brit Kelley, 2021-05-30 *Loving Fanfiction* explores emotion within the context of fandoms specifically online fanfiction Through exploring fans narratives about themselves and the fanwork they produce and consume the author theorizes how identity cognition emotion the body and embodiment come together in literacy development and practices Drawing on affect theory to explore the complex roles of emotions literacy identity and the digital both in their own position and in the worlds of engaged fans Brit Kelley systematically analyses work from a six year ethnographic study across fandoms from Harry Potter and WWE to Gotham and Twilight Their analysis expands upon current understandings of fandom by more thoroughly theorizing the deeply emotional element of fanfiction practices and connects to the academic fan community to draw connections and implications for the role of emotion in teaching and research This unique perspective on emotions love and fandoms will be of significant interest to scholars and students of media and communication studies fan studies literature creative writing cultural studies digital humanities and literacy studies

**The Tesla Files** Sönke Iwersen,Michael Verfürden,2025-09-09 A whistleblower A 100 GB leak of confidential internal documents A corporation in crisis A riveting tale of journalistic enterprise ethics and the courage to follow the evidence where it leads The 1st major work about Elon Musk and Tesla since Musk inserted himself directly into presidential politics and through DOGE into the lives of millions of Americans When an anonymous whistleblower and former Tesla employee approached Germany s business newspaper Handelsblatt in November 2022 the newsroom was stunned The allegations were astounding Months of relentless investigation confirmed them to be true In The Tesla Files Handelsblatt journalists S nke Iwersen and Michael Verf rden tell the full story Drawing on 23 000 leaked documents 100 gigabytes of confidential data and hundreds of interviews with employees and customers they deliver an unprecedented look inside the world s most secretive automaker This is a portrait of a company that values hype over substance and a CEO who demands devotion while ruling through fear It also traces Elon

Musk's ascent into the highest echelons of politics marked by a pattern of obfuscation and manipulation      *Changing readers' attitudes? The representation of discrimination in the Harry Potter novels* Alena Eikens, 2017-06-27 When Joanne K Rowling published her first Harry Potter novel in 1997 probably nobody expected the tremendous success her writing debut was going to bring her The huge popularity of the seven book series led not only to an equally successful series of film adaptations but also to a variety of well selling merchandise Children and adults alike are enchanted by the wizarding world that Rowling so meticulously created However Rowling's story does not only serve as a source for our entertainment she also uses her fantasy world as a metaphor for our own world depicting rights and wrongs in many different fields One of the main themes is even a very controversial one discrimination And Rowling did not just invent a world in black and white she does not simply tell the reader that prejudice is a reprehensible trait in our society Rather she created a world for the readers to explore and find things out for themselves as the story continued In this paper the author claims that the representation of discrimination in the Harry Potter series influences the readers in a positive way and that they are likely less prejudiced against stigmatised groups after reading the books      **The Metadata Manual** Rebecca Lubas, Amy Jackson, Ingrid Schneider, 2013-07-31 Cultural heritage professionals have high levels of training in metadata However the institutions in which they practice often depend on support staff volunteers and students in order to function With limited time and funding for training in metadata creation for digital collections there are often many questions about metadata without a reliable direct source for answers The Metadata Manual provides such a resource answering basic metadata questions that may appear and exploring metadata from a beginner's perspective This title covers metadata basics XML basics Dublin Core VRA Core and CDWA schemes and provides exercise in the creation of metadata Finally the book gives an overview of metadata including mapping and sharing Outlines the most popular metadata schema written by practicing metadata librarians Focuses on what you need to know Does not require coding experience to use and understand      *My Hardcover Book* Marcus Brown, 2017-08-11 In 1901 an innocent child was cruelly tortured and murdered by her vengeful mother twisting her once beautiful soul into something evil and monstrous Her name was Maisie Whitmore Bound forever to Promised Land Lane she will take her revenge on those foolish enough to cross her path If Maisie's eyes look upon you Run for she will never forget      *Publish Yourself* J.M. Snyder, 2011-11-20 If you've ever wanted to retain more of your royalties or try publishing e books but didn't know where to start this book is for you Recently e books have exploded onto the publishing scene making it easier than ever for writers to break into the market But many people who read e books aren't familiar with how to create them What formats should you offer Where do you sell them What do you use for a cover And most important how do you go from a Word document to an EPUB MOBI or PDF file Best selling multi published author J M Snyder has written this no nonsense hands on guide She takes the mystery out of e publishing while making the process of creating an e book simple cheap and easy Using Microsoft Word or an equivalent word processing program along with inexpensive or free software

readily available online you will learn how to create the nine most common e book formats You will be walked through cover art design interior book layout and e book creation as well as given many of the tips J M has learned along the way Also included is a brief guide to online bookstores where you can sell your finished e book Let J M Snyder help you discover how easy it is to publish yourself

**The Subversive Harry Potter** Vandana Saxena,2014-01-10 The seven books in J K Rowling's Harry Potter series bring together a variety of aspects of young adult fiction and portray youthful rebellion as well as cultural containment and an adolescent's negotiations through these conflicting forces This detailed study of Harry Potter explores the limits of the formulaic structure of adolescent fantasy fiction and also examines the impulse of exploration subversion and resistance contained within the formula Within both subversion and containment in the narrative young adult fantasy becomes an embodiment of the experience of adolescence its angst rebellion and also its journey of personal maturation

Internet Babylon Greg Holden,2013-11-09 This book looks at the Internet from a sordid and entertaining perspective The line between truth and fiction is blurred on the net just as it is in Hollywood and so are the scandals involving well known movie and TV personalities politicians and the Internet's own brand of celebrities The battle between illusion and reality is every bit as intense on the Internet as on the celluloid screen Going beyond sites that glorify the seamier side to life Internet Babylon is a guide to the unique sites that appeal to selective sensibilities Internet Babylon gives you the ability to live vicariously through and be a participant in extraordinary even strange goings on that you might never otherwise encounter in your day to day life You'll not only find entertaining and titillating stories that define the rough and wild side of a major force in society that's still developing but you'll also discover the tools you need to be on top of breaking stories and find the news that's not fit to print

The Power of Stories ,2005 The Anglo Files Sarah Lyall,2020-02-25 New York Times Bestseller An exquisite hilarious and devastating dissection Malcolm Gladwell Why do the English keep apologizing Why are they so unenthusiastic about enthusiasm Why does rain surprise them When are they being ironic and how can you tell Even after eighteen years in London New York Times reporter Sarah Lyall remained perplexed and intrigued by its curious inhabitants and their curious customs She's since returned to the United States but

this distillation of incisive and irreverent insights now updated with a new preface is just as illuminating today And perhaps even more so in the wake of Brexit and the attendant national identity crisis While there may be no easy answer to the question of how exactly to understand the English The Anglo Files part anthropological field study part memoir helps point the way
