

HART CRANE'S 'THE BRIDGE'

AN ANNOTATED EDITION | EDITED BY LAWRENCE KRAMER

Hart Crane The Bridge

Kathleen Armour

Hart Crane The Bridge:

The Bridge Hart Crane, 1970 *Hart Crane's the Bridge* John Wood, 2007 *Hart Crane's The Bridge* Richard P. Sugg, 1976 **Hart Crane** Paul Giles, 2009-04-02 When Hart Crane's epic poem *The Bridge* was published in 1930 it was generally judged a failure. Critics said the poet had unwisely attempted to create a mystical synthesis of modern America out of inadequate materials. Crane himself, who committed suicide in 1932, did little to correct this impression, and although the poet's reputation has fluctuated over the past fifty years, many people still find *The Bridge* unsatisfactory. In this analysis of Crane's long poem, Paul Giles demonstrates that the author was consciously constructing his *Bridge* out of a huge number of puns and paradoxes, most of which have never been noticed by Crane's readers. Dr. Giles shows how Crane was directly influenced by the early work of James Joyce, how the composition of *The Bridge* ran parallel to the first serialisation of *Finnegans Wake* in Paris, and how *The Bridge* is the first great work of the Revolution of the Word movement, predating the final published version of *Finnegans Wake* by nine years. *Hart Crane* Harold Bloom, 2009 Provides insight into five of Hart Crane's most influential works along with a short biography of the poet **Splendid Failure** Edward Brunner, 1985

Three Poems by Hart Crane from the Bridge Hart Crane, 2004 **Hart Crane's Divided Vision** Helge Normann Nilsen, 1980 *Complete Poems of Hart Crane* Hart Crane, 2001 Featuring a new introduction by Harold Bloom, this volume chronicles the life works of a poet who has suffered much misunderstanding and neglect despite displaying a superb poetic style, idiosyncratic yet central to American tradition. *The Bridge* Hart Crane, 2015-03-24 This edition of Hart Crane's long poem *The Bridge*, first published as a book in 1930, collects for the first time ever the variant earlier versions of the poem's sections as they were first published in periodicals and anthologies during the years 1927-1930. The many differences between these earlier versions and the versions which appeared in the Horace Liveright edition of 1930 make this book an indispensable volume for anyone with a deep interest in Hart Crane or indeed in American poetry, and a tremendous tool for the understanding of Crane and his poetry. *Hart Crane's The Bridge* Hart Crane, 2011 *The Collected Poems of Hart Crane* Hart Crane, 1933 Maps on lining papers. A narrative account of the eighteenth-century struggle of England and France in the Iroquois territory for dominance. *An Examination of Hart Crane's "The Bridge"*. George W. Nitchie, 1947 **Hart Crane's The Bridge** Douglas H. White, 1954 *Hart Crane, an Introduction and Interpretation* Samuel Hazo, 1963 **The Bridge** Hart Crane, 1996-01 Like Whitman, Hart Crane strove in his poetry to embrace America, to distill an image of America. Begun in 1923 and published 1930, *The Bridge* is Crane's major work. Very roughly, he wrote a friend it concerns a mystical synthesis of America. The initial impulses of our people will have to be gathered up toward the climax of the bridge, symbol of our constructive future, our unique identity. *Past and Present in Hart Crane's The Bridge* Wilbur Curtis Holgate, 1971

The Unity of Hart Crane's The Bridge ... Robert George Butts, 1964 *An Analysis of the Structure of Hart Crane's The Bridge* Anthony George Trisolini, 1959 *Hart Crane's The Bridge: a First Attempt at an American Epic* Theodore C.

Faison, 1963

Right here, we have countless ebook **Hart Crane The Bridge** and collections to check out. We additionally find the money for variant types and after that type of the books to browse.
