Havana Beyond The Ruins Cultural Mappings After 1989:

Havana Beyond the Ruins Anke Birkenmaier, Esther Whitfield, 2011-08-10 Looks at portrayals of Havana in literature music and the visual arts in the post Soviet era as the city is reinvented as a destination for international tourists and business ventures *My Havana* Maria Caridad Cumaná, Karen Dubinsky, Xenia Reloba de la Cruz, 2014-01-01 For more than thirty years musician Carlos Varela has been a guide to the heart soul and sound of Havana *My Havana* is a lyrical exploration of Varela's life and work and of the vibrant musical literary and cinematic culture of his generation

Geographies of Cubanidad Rebecca M. Bodenheimer, 2015-07-10 Derived from the nationalist writings of Jos Mart the concept of Cubanidad Cubanness has always imagined a unified hybrid nation where racial difference is nonexistent and nationality trumps all other axes identities Scholars have critiqued this celebration of racial mixture highlighting a gap between the claim of racial harmony and the realities of inequality faced by Afro Cubans since independence in 1898 In this book Rebecca M Bodenheimer argues that it is not only the recognition of racial difference that threatens to divide the nation but that popular regional sentiment further contests the hegemonic national discourse Given that the music is a prominent symbol of Cubanidad musical practices play an important role in constructing regional local and national identities This book suggests that regional identity exerts a significant influence on the aesthetic choices made by Cuban musicians Through the examination of several genres Bodenheimer explores the various ways that race and place are entangled in contemporary Cuban music She argues that racialized notions which circulate about different cities affect both the formation of local identity and musical performance Thus the musical practices discussed in the book including rumba timba eastern Cuban folklore and son are examples of the intersections between regional identity formation racialized notions of place and music making

Aesthetics and the Revolutionary City James Clifford Kent, 2018-09-22 Aesthetics and the Revolutionary City engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand alone important case studies linked to the representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island

The Sun of Jesús del Monte Andrés Avelino de Orihuela, 2022-03-31 Translated into English for the first time Andrés Avelino de Orihuela's El Sol de Jesús del Monte is a landmark Cuban antislavery novel Published originally in 1852 the same year as Harriet Beecher Stowe's Uncle Tom's Cabin which Orihuela had translated into Spanish it provides an uncompromising critique of discourses of white superiority and an endorsement of equality for free people of color Despite its historical and literary value The Sun of Jesús del Monte is a long neglected text languishing for 150 years until its republication in 2008 in the original Spanish The Sun of Jesús del Monte is the only Cuban novel of its time to focus on La Escalera or the Ladder Rebellion a major anticolonial and slave insurrection of nineteenth century Cuba that shook the world's wealthiest colony in 1843-44 It is also the only Cuban novel of its time to take direct aim at white privilege and unsparingly denounce the oppression of free people of color that intensified after the insurrection This new critical edition featuring an invaluable contextualizing introduction and afterword in addition to the new English translation offers readers the most detailed portrait of the everyday lives and plight of free people of color in Cuba in any novel up to the 1850s Writing the Early Americas

Planet/Cuba Rachel Price, 2016-02-16 Transformations in Cuban art literature and culture in the post Fidel era Cuba has been in a state of massive transformation over the past decade with its historic resumption of diplomatic relations with the United States only the latest development While the political leadership has changed direction other forces have taken hold The environment is under threat and the culture feels the strain of new forms of consumption Planet Cuba examines how art and literature have responded to a new moment one both more globalized and less exceptional more concerned with local quotidian worries than international alliances more threatened by the depredations of planetary capitalism and climate change than by the vagaries of the nation s government Rachel Price examines a fascinating array of artists and writers who are tracing a new socio cultural map of the island

Cuban Memory Wars Michael J. Bustamante, 2021-02-10 For many Cubans Fidel Castro s Revolution represented deliverance from a legacy of inequality and national disappointment For others especially those exiled in the United States Cuba s turn to socialism made the prerevolutionary period look like paradise lost Michael J Bustamante unsettles this familiar schism by excavating Cubans contested memories of the Revolution s roots and results over its first twenty years Cubans battles over the past he argues not only defied simple political divisions they also helped shape the course of Cuban history itself As the Revolution unfolded the struggle over historical memory was triangulated among revolutionary leaders in Havana expatriate organizations in Miami and average Cuban citizens All Cubans leveraged the past in individual ways but personal memories also collided with the Cuban state s efforts to institutionalize a singular version of the Revolution s story Drawing on troves of archival materials including visual media Bustamante tracks the process of what he calls retrospective politics across the Florida Straits In doing so he drives Cuban history beyond the polarized vision seemingly set in stone today and raises the prospect of a more inclusive national narrative
