Stepbrother Fighter Rachel Angel, 2019-04-24 This is a stepbrother romance a standalone novel and a second chance romance ANABELLE Ian became my poor misfortunate stepbrother when we were both 14 and in boarding schools He was beautiful with a face of an angel curly blonde hair and blue eyes that could melt off panties I protected him by acting like his girlfriend at his all boys school The next time I saw him after years he was unrecognizable Gone was the angelic face and in its place was a face and body made for sin He was so hot I mistakenly asked him to be my one night stand It was a joke but deep down we both knew it was tempting IAN Anabelle was the coolest girl I ve ever met who was beyond beautiful a hot goddess and into sports like one of the guys Too bad she was off limits She's every boy's dream and I m the one she turns to whenever she asks what guys like and all about sex I know everything about her including how she likes sex How she wants it I can t help thinking about her in that way I know she feels that way about me too The tension between us is so thick something is bound to happen Question is When and How About the Author Rachel Angel lives on the West Coast where she dreams of princes billionaires and alpha males meeting their match in a strong sassy woman She loves to travel and explore new places try new foods and read other author's books But most of all she loves to hear from her readers An Ocean Between: 100% American-100% Ukrainian Stephanie Sydoriak, 2011-12-28 Stephanie Sydoriak has captured bits of history that often go unrecorded thus enriching the picture we have not only of the immigrant experience but also of how life in American cities changed because of the immigrants Her approach is original by giving her parents a chance to tell their story she is able to present a highly nuanced picture of the acculturation of the immigrant communities She does it with grace and wit and the book reads very well But the author provides such telling detail that I will use this book as an introduction to the study of the immigrant experience in the United States Dr Martha Bohachevsky Chomiak Historian Author
